## POINTS FROM COUNCIL MEETING (27 July, 1979)

Local volunteers might be used to construct equipment for the proposed play area provided a grant from the Prince's Jubilee Trust is forthcoming.

The County Council stated that it had no claim of ownership on any of the village greens in the parish.

Council together with the District Councillor reviewed the refuse collection service and concluded that the existing arrangements worked well.

There was still a vacancy on the parish council.

## PARISH MEETING

A Parish Meeting will be held on Monday 10th September, 1979 commencing at 7.30 pm in the Pettiward Hall. The Meeting will embrace the normal Annual assembly as well as approval of the information collected in respect of rights of way.

## PETTIWARD HALL

The plans for the new toilets and kitchen improvements are nearing the final planning stage and the Management Committee has now to find quite a large sum of money to pay for them. To this end we are starting to raise funds in various ways.

The first on the list is a stall at the Mammoth Market on the Camping Land in Stowmarket on 22nd September. We are joining with the Parochial Church Council to share the stall. We would like as much help as possible in filling the stall which will sell cakes, produce and any needlework items. We hope that everyone will give something, however small, and the Committee will be calling to collect any donations during the week before the Market. Anyone who would make cakes of any description please contact me on Stowmarket 2440 to arrange collection on the evening before the Market.

This is your Village Hall - PLEASE HELP!
