## PETTIWARD HALL COMMITTEE

After ten weeks of busy Sundays, the painting of the Pettiward Hall outside has been completed.

The young men were well behaved and worked steadily. Much credit must go to their supervisor, Mr. Curran from Bury and Dr. Chapman from Buxhall who gave up their alternate Sundays to work with the Probation Service on projects like this.

Community Service Orders are organised and supervised by Mr. V. Rasiaiah of the Suffolk Probation and After Care Service. I have written to thank him and his staff on our behalf for a job well done. Did you notice that the young men also cleaned all the windows inside and out before they left?

The paint, brushes, putty and other outside materials were donated by generous individuals.

We are fortunate that this necessary work has been carried out before the winter.

Our thanks must go to John Miller and Brian Smith who spent many hours painting the high places the boys were not allowed to reach.

Please read the enclosed slip. It is one way in which we can raise funds to help maintain the Hall in good order and pay for the cleaner, insurance and so on.

Pat Smith, Chairman, Management Committee
