## PETTIWARD HALL COMMITTEE

We did it. It seems hard to believe that in one month not only the Hall ceiling has been decorated but the walls too have been washed, sealed and given two coats of paint. Not only that, all the cracks have been painstakingly filled in by Gerry Squirrell.

There were some problems which held us up but the work would still be going on now if we had not been able to borrow such marvellous tower equipment from Mr. Cass.

Mr. Brand replastered and treated the two damp corners and a number of strong men dismantled the stage structure as that was in rather a dangerous state.

A team of cleaning ladies scrubbed the floor and the hall is already in full use again.

The new lights are a gift from Mr. and Mrs. Cass for which we warmly thank them.

We hope the C.S.O. scheme will paint the window frames and treat the wood panelling for us.

Thanks to everyone of you who helped in whatever way with the decorating project. I know those involved won't mind if I do not name them all but we do owe a big thank-you to Adrian Smith who put in hours and hours of dedicated labour. Not only that, he took time off to run in the Stowmarket Marathon choosing the Pettward Hall as his charity and raised £52.01 for the Hall Improvement Fund.

Having reached the end of what has been called Phase I, I feel it is a good point at which to retire from the Committee and give way to new leadership. It has been a privilege to chair such a caring and hardworking team and I have valued their support and friendship.

Keep up the good work everyone.

Yours sincerely,  
Pat Smith.

## WOMEN'S INSTITUTE

Rainy days were the prelude to our Garden Party but our overcast hopes and anticipations were washed away and replaced by ones swathed in warm sunshine with cloudless skies. With clement weather, our Keep Fit friends who entertained us so well - not to forget the WI members who 'volunteered' in this respect, and the ingredients we WI folk take as a matter of course, another successful and memorable evening was produced.

Thank you Mr. & Mrs. Arbon for offering us the use of your home and garden, a most delightful setting for our Garden Party.

J. Banfield.

The Fete

The Fete at St. George's on 24th July made a net profit for the Branch of about £300. The Draw took £200 and the stalls etc., £250; expenses totalled £154.

The Branch is grateful to all its members for selling the Draw tickets and to all those who worked to make the Fete a success - not least the Ipswich Sea Cadet Band, St. George's School for their hospitality and help, those who provided and manned the various stalls and teas and those who came and spent their money. Winners of the Draw are all local and the list has been shown in Finborough Post Office.
