### Harvest Festival & Flower Show

Finborough Harvest Festival & Flower Show was badly affected by the weather but the church was beautifully and imaginatively decorated and worthy of a larger number of visitors. Many thanks to all who helped. At the evening service the Rev. Michael Skliros preached. The church benefitted by about £200 from donations.

We mourn the sudden death of our Rural Dean and Vicar of Stowmarket (The Rev. Peter Moore) who never fully recovered from his heart attack in June; he died peacefully at home on Sunday 3rd October.

Rev. H. Wake

## ROYAL BRITISH LEGION

### Remembrance Sunday

See above for details of services. Poppies will be available in the two weeks before the 13th November. The need for money is ever-increasing as the World War II veterans and their dependants get older and the casualties of more recent fighting in the Falklands, Northern Ireland and other places require our help. Please give generously and wear your poppy with pride and thankfulness.

Next Branch meeting Thursday 17th November at Buxhall.

H. Wake, Hon. Secretary

Our November meeting will be a Prize Bingo Session at the Pettiward Hall on the 3rd., at 7 pm. This is open to everyone, adults and children, and we hope to see many of our friends there.

I am very encouraged by the response to my appeal for empty soft drink and beer cans for recycling and particularly appreciate the efforts being made by the staff and pupils at the Primary School and also St. George's School. To all who are collecting - very many thanks and please keep up the good work.

On 2nd October the Pontoon was still awaiting a winner. In the kitty £3 each for the Darts and Crib Teams and £20 unclaimed.

October 1st proved to be our most successful venture yet. With the help of St. George's School and several villagers and the Youth Club, we held a Sponsored Pram Race which raised over £400 for various charities. Yard of Ale record held by L. Phoenix has not yet been beaten although many men had a try on Saturday.

The champ on Saturday for squeezing the Bathroom Scales was C. Roberts with 17st 7 lbs. Can he be beaten? Come along and try your luck.

Steve Hammond refereed a very successful Dwoile Flonk won of course by the Chestnut Horse who now hold the trophy - a decorated chamber-pot.

On the evening of the 1st October we all enjoyed Tubby Cooper's 83rd birthday party. Tubby is our oldest and most faithful 'regular'. He has now entered his 71st year of drinking at the Chestnut Horse. Many thanks to the two Highland Pipers who called in by chance and gave the evening an unusual and unexpected turn.

Janet Budd.

## WOMEN'S INSTITUTE

Cuisine fit for any Cordon Bleu cook, wine palatable for the Connoisseur, fruit, veg and flowers ol' Percy would have been proud of, handiworks to please the keenest eye, that was the result of our Produce Show - didn't we do well !! Perhaps the number of entries was slightly down this time, but the quality made up for the deficiency. We may not have any hang gliders or parachutists in our midst as some do, but we can certainly fly the flag for excellence! An endorsement to that fact was apparent on Saturday evening when a feeling of contentment and goodwill reverberated around Pettiward Hall. Visitors, husbands, friends came along to enjoy with us our Harvest Supper, and it was a real 'Five Star' evening. After a really beautiful meal we sat back and listened to the sound of the Kerry Singers - what a delight they were - hopefully they will make a return trip soon.

We have Mrs. Purves (the mother of TV presenter, Libby Purves) talking on the Lesotho Water Project, on 13th October. Do come along and enjoy the evening with us.

## PARISH COUNCIL

### Points from the meeting on 30th September

The MP is to be contacted over the continued development of the unauthorised waste tip near Finborough Bridge and the building of the bungalow on the gipsy caravan site in Combs Lane.

An approach is to be made to use the Conservation Team facilities to trim and shape the chestnuts trees on the village green and the school green.

The damaged wire had now been removed from the school playing field fence.

It was agreed to remind the County Surveyor of the Council's enquiry as to the erection of warning lights along the High Road to inform motorists of the school crossing patrol. These would complement the lights already erected near the shop.

Council heard complaints from the Headmaster of the Primary School of the effects of smuts in the school following the annual round of straw burning. The subject would be given a full airing at the meetings of the Local Councils Association.

Next meeting on Friday, 25th November 1983 at 7.30 pm.
