## GT FINBOROUGH PRIMARY SCHOOL

During the next few weeks the children will be thinking about pattern and colour. Already some have been making dyes, creating paper butterflies and flowers and writing poems....

What is Colour ?

A blind man speaks .....

I don't know what colour is !

Is it dark ?

Is it light ?

Is it visible ?

Is it bright ?

I just don't know ?

Please let me think .....

Is this world of colour strange

Is colour pretty ? Is it nice ?

Aha !

The cataracts have gone .....

Now I know It's all of those !

It's pretty and nice  
It's dark and light  
It's everything I thought  
Colour is FUN !

## FRIENDS OF GT. FINBOROUGH PRIMARY SCHOOL

After a successful Spring Term the Management Committee are putting their thoughts towards the programme for the next few weeks. Some dates for your diary (all events at the school)

### Friday 3rd May : QUIZ EVENING 7PM.

This will be very informal - part at least based on pencil and paper games (no black chairs!) and open to adults and children. Small teams of mixed age groups will be formed on the night (unless you already have a team in mind!) - so anyone can come along. Admission 50p. Refreshments available.

**Friday 17th May : OUTDOOR GAMES EVENING.** Starts 6.30 pm.

A variety of games (rounders, cricket, touch rugby bowls etc., will be on offer. Doubtless a wide range of techniques and skills will also be on display!

and for later in the summer:

**Saturday 22nd June – Car Boot Sale** start 10am. Pitches: £4 (pre-booked and paid); £5 on the day; further details from Ann Phoenix 674396 or Viv Brice 676249

**Saturday 6th July – Barbeque** (repeat of last year's popular late-afternoon-early-evening event.)

We do hope that you'll be able to support us at our events.

*Trudy Gray, Committee member.*

**YOUNG ORNITHOLOGISTS' GROUP – Gt. Finborough School.**

Many of the group spent some time over the Easter holidays making notebooks of their visit to Town Farm – maps, drawings and notes of what they saw. Congratulations to Jessica Kent, Chloe Mosesson, Florence Ravenscroft, Craig Porley, Fraser Manning and Robert Gray for their efforts.

At the April meetings of the group we have been talking about migration - looking at the map at the jounries of the Swallows from South Africa. At the time of writing (mid-April) the children are still looking out for the first sight of House Martins and Swallows in the village.

*Trudy Gray, Y.O.C. Group Leader.*

**PLAY AREA NEEDED ?**

All you Mums (and Dads) out there, where do your children play? In the fields or in the roads?

How about pressing for a play area for toddlers to teenagers in the village? This is something that we lack and we really could do with somewhere safe for them to play. If you live in Middlefield Drive, you may have heard that there was to be a play area behind the pub, adjacent to Valley Lane. This is now to be a much-needed car park for Pettward Hall. What about the land opposite the Post Office being fenced off and swings etc., put in there? It would need minimum maintenance and need not cost

much; rubber flooring could be put around the equipment and a couple of seats for supervising parents, make it a dog-free zone and we have our play area. Anyone else got any ideas?

During the late May bank holiday the three churches in the benefice are combining to raise funds. As well as a **flower festival** in St. Andrew's Church there will be an **art exhibition** in the Pettward Hall, **stalls, refreshments** and other entertainments.

The **Kerry Singers** are putting on a concert in the Church on Saturday evening and they are first class performers.

This is a weekend well worth your attention and there will be something of interest to everyone.

An appeal for help of various kinds has already been sent out and quite a good response has been received. We shall be most grateful for donations of cakes, jams etc., to sell, and if anyone can give a little time to man a stall it would be a very great help, offers of help, cakes etc., can be made to the Old Forge.

*Brian Smith.*

**St. Andrew's Church.**

Now that the roof is well and truly repaired, our attention has turned to the windows in the spire, work is almost complete on replacing the broken ones. The next job, having evicted the pigeons, is to clean the bells, bell frame and floor of a thick layer of droppings, then perhaps we can paint the bell frame. Offers of help, please, to me.

*Brian Smith.*

Times and details of the music to be played will be posted nearer the time.

The enthronement of Archbishop George Carey was a fine spectacle, as well as being a moving occasion, in the style that apparently the English do best of all. The fears about modern music striking a jarring note on such a solemn occasion surely melted when people saw the context in which it was played: namely church leaders of all shapes, sizes, hues and shades of belief greeting each other joyfully and spontaneously, quite clearly glad to be there and glad to identify with the goings-on. What a long, long way we have travelled in the last 20 years.

If you know anyone else willing to have a stall please let them know the contact. We will be having some events for the children in the hall as usual and have this year booked a dry day, we hope!

Do come and swell the crowds and make your charity some money.

#### BROWNIES

The pack is setting in to the summer term looking forward to lots of outdoor activities (weather permitting of course!) We welcome two more girls to the Pack – Helen Pearson and Marylee Jones. We have also had to say some goodbyes: Claire Doyle and Deborah Davison have gone to Guides and we wish them well. Sue Miller, who has been Assistant Guider (Tawny Owl) since we started, has also had to leave. We thank her very much for all her help and enthusiasm in

starting and helping to run the Pack. She was presented with a china Tawny Owl (well, what else!)

We have won another District Challenge for designing a Christmas or Thank you card. The winning card was designed by Emma Wood and was highly praised by the judges; she was presented with a trophy and her winning design goes forward to an Anglia Guiding Competition, the winning design will be printed. Well done Emma – we're proud of you.!

#### Old Finborough

The remark about the history of Great Finborough by the new editor prompts me to write about the dispersal sale of the Gt. Finborough Hall Estate owned by the Squire, the late Charles Pettiward.

This consisted of eleven farms totalling 1,711 acres, eighty one cottages, Gt. Finborough and Onehouse schools.

The sale took place in July 1936. The top price paid was £4800 for Onehouse Hall, comprising the Hall, cottages, farm buildings, and 257 acres of land. Residential properties included the Broad Oak with a cottage and six and a half acres of grounds for £1,550. Cottages sold for between £100 and £300 each. e.g. a flint and tiled cottage with one and a quarter acres of land (now called Westlegate Church Road) sold for £105.

A cottage and smithy (now called the Old Forge) sold for £200. A semi detached cottage in Combs Lane (Finborough end), now being renovated, sold for £120.

These figures were taken from a newspaper cutting dated 3rd July 1936 that I have, listing all the lots sold.

*T.B. Wasp.*

Mr thanks to Mr Wasp for supplying the fascinating information on the division of the Pettiward Estate. How prices have changed! Anyone else with memories? I must confess the response to my urgings in last month's newsletter wasn't exactly overwhelming, but I suppose it's because you're all thinking very hard about your chosen subject. keep up the good work.
