No. 204 November 1991 Editor: John Grave, 1 White Horse House Tel: 677803

## EDITORIAL

Many thanks to everyone who helped make the annual 50/50 auction a success again this year. Funds raised this year exceeded £200.00. Special thanks to the auctioneer on the day - Hubert Mitson and the invaluable part played by Richard Brice.

## FIRST AID

As someone who would be totally useless at the scene of an accident and very unsure of the correct procedure to follow if an injury were to occur to one of my children at home I am very keen to hear from anyone who would be interested in attending a first aid course held by St John's Ambulance at the hall at a time to be decided (subject numbers and hall availability). Please call myself or Linda 677803 for more details.

- 10 10.45 REMEMBRANCE SUNDAY SERVICE It is Finborough's turn again this year to stage the Formal Act of Remembrance for the Rattlesden, Buxhall and Gt Finborough branches of the Royal British Legion. The silence will be observed at or near 11am and wreaths will be laid after the service, which is expected to last 45 minutes. In view of the solemn nature of the service and the

memories it evokes, especially for the older generation, the service is not suitable for children of under school age.

- 24 9.45: Family Service  
6.30: CONFIRMATION SERVICE by the Rt Revd John Dennis, Bishop of St Edmundsbury & Ipswich. ## GREAT FINBOROUGH W.I.

It was hard to believe such a lively speaker was wearing a hearing aid in each ear and was lip reading what was said to her, when Mrs Mary Denny gave a most interesting talk about the problems of living with deafness.

Several devices were demonstrated which enables the deaf person to hear more clearly or just help them to be aware of a presence around them, helping them to feel much less isolated and out of touch.

The AGM will be held on November 13th when Mrs Davis will be giving a talk on "Presenting Christmas".

Crisp, fresh,  
Autumn winds, frosty morning,

Autumn winds, frosty mornings,  
crisp, fresh, cold air.  
Autumn mornings!

*Craig Porley.*

Crunchy crackly, autumn leaves  
floating down from the trees.  
Hedgehogs curling up in tight balls.  
Squirrels gathering nuts for when

they hibernate.

Birds sitting on telegraph wires,

Ready to migrate.

Rabbits digging holes for their new homes.

Tortoises going to sleep in safe warm places.

Conkers falling, cracking open!

Autumn days.

*Sara Lloyd.*

### Autumn recipe.

25g of conkers with their spiky shells  
20 squirrels hunting for nuts  
26g of berries, red, ripe for birds to eat  
5 hedgehogs rolling in the leaves  
27 whole acorns still in their cups  
100 golden, crunchy, crisp leaves  
200 birds migrating.  
Autumn is here and it's fun!

*Benjamin Pryke.*

Autumn is when the leaves float down  
On to the forest floor.

Autumn is when the birds migrate to  
Find faraway warmth and food.

Autumn is when hedgehogs roll into a  
Tight ball safe from the cold.

Autumn is when the leaves start to  
Go golden brown, crisp and crunchy.

Autumn is when the squirrels store  
Their nuts ready for winter.

Autumn is when it's cold  
Frosty, dark mornings, dark nights.

Autumn is when it rains, hard, wet  
And freezing.

Autumn is when it's windy, a hard  
Bitter wind..

Autumn is when it's cloudy, dull  
Grey skies.

Autumn is time to find our jumpers,  
Trousers and winter coats.
