## Great Finborough Community Council

At the meeting on 21 April 2008 the plans for the children's play area were discussed. Team Finborough had met with Gal Travis (MSDC Community Development Officer) & Neil Beales (Project Manager, Gipping Homes) and discussed an interest in skateboarding facilities and the group's application for funding in respect of an all-weather surface for the football pitch. Concern was expressed that numbers of young people attending the Youth Café had dropped since Easter.

John Matthissen, Nick & Cathy Croome, Liz Michie & Mark Brewster, along with Brian Codd, constructed a footpath bridge at the Pear Tree development on 20 April using recycled railway sleepers, etc. *Editor's note: the photos are intriguing!*

The successful construction of the footway between Valley Lane & the Chestnut Horse was noted. The Parish Council has passed a shortlist of suggestions for naming of the new roads to the Primary School.

The task group on the Village Hall reported the architect had been unable to attend a meeting as planned but this will be pursued. Some of the small equipment in the Hall is to be replaced. The next meeting of the Community Council will be on Monday 23rd June.

### **Aircraft Flight Paths and Stacking - NATS**

It is becoming clear that the proposal to stack over Suffolk aircraft awaiting permission to land at Stansted may impose considerable noise on our villages, which are at the edge of the circuit put forward. Information is available at libraries or from [www.nats.co.uk/TCNconsultation](http://www.nats.co.uk/TCNconsultation) or TCN Consultation, NATS, Freepost NAT22750 Reading RG1 4BR. Mid Suffolk

District Council have now formally objected. The consultation period has been extended to 19 June, so there is still time to add to the volume of objections.

### ***Planning Applications***

If you are considering work that may require planning permission, please get in touch with the planning department at Needham Market at an early stage. We encourage a scheme called "pre-application discussion." This usually involves a planning officer, a member of the parish council and me meeting with the applicant and architect or agent on site, so that everyone understands what is being proposed. Guidance can be provided as to what is likely to be approved, and what is against policy and likely to be refused. There is no fee for this, and it can save the applicant time and money in not submitting applications that will fail, whilst helping to shape schemes with a good chance of acceptance.

### **Friends of Great Finborough Primary School News**

Many thanks to everyone who joined us for our Quiz night on 9 May. It was great fun and made £194.50. I'd like to send a very big thank you to David and Julie Francis who organised the event. You did a wonderful job.

It is great to make money but we do spend it too! We have recently paid for transport for each class to have a trip out of school. We are working on the renovation of the old blue Wendy House in the playground and we are about to purchase a new DVD camera recorder. These are just a few of the things we are able to do using the money that we raise from all the year's events.

Our Summer event is "*Fun In The Countryside*". It will take place at school on Saturday 5 July from 11am. We plan to have lots of fun stalls, such as ride on kiddies tractors, tombola, football shoot out, face painting, welly throwing and much more. There will also be some competitions such as cake decorating, vegetable animals, make a scarecrow and garden in a seed tray. There will also be our big summer raffle with tickets available to buy from the school office in June.

And lastly there will also be a summer barbeque! Food available from midday. The raffle and judging will take place at about 2pm. Please come along if you can and keep your fingers crossed for some glorious weather!

For further information about any of the Friends Activities, please contact me on 616922 or Alex Denley (Chairperson) on 777088.

Now retired, we have lived in the village for nearly 5 years. We have been given the opportunity of a lifetime through our Church (Mendlesham Christian Fellowship) with partners, the *Hands at Work* charity in Zambia. Zambia is one of the poorest countries on earth. We will be helping run a holiday club for orphaned and AIDS-affected children for 2 weeks in August.

Great Finborough Primary School's children have collected 206 out of the 1112 toothbrushes that have already been shipped out with medical supplies and easy reader glasses. Thank you to those who helped!

We need to fund our own trip and so far have raised over £2000 for flights, accommodation, insurance, our injections and craft and other items needed out there. Please come and support our Bring and Buy – see above. If you want to know more about our trip, feel free to contact us on 677972 or [davidlittlehales@yahoo.com](mailto:davidlittlehales@yahoo.com) **David & Bel Littlehales**

**Team Finborough and Youth Café**

The Youth Café continues to open on Thursdays (except bingo evenings) from 7pm to 9pm. Any interested youth from the village aged 11 to 17 years are welcome to attend.

The Youth Committee would like to thank the Bingo organisers for raising £33.30 for the Youth Café on 17 April. It was great fun!

The next Youth Committee meeting will take place on 4 June. One was planned for 9 May but did not proceed as it was non-quorate. Members must attend at least three committee meetings per year plus the AGM and we need your ideas to shape what we do at the Youth Café. Come along and have your say.

We have permission to access the playing field at Finborough School - with our adult supporters - on Youth Café evenings during the lighter evenings. Letters will be sent out to parents/guardians to cover liability issues in the near future. Please return these forms as soon as you can. Once this is done we can start using the playing fields.

**Scott Murkin**

## Charity Bingo

The next Charity Bingo evening will be held on Thursday 19 May at 6:30pm at Pettward Hall. This month we will be raising money for the Friends of Great Finborough Primary School. There will be bingo, a raffle and refreshments. All are welcome and children need to be accompanied by an adult. Any questions please feel free to contact me or Mari (770032).

### Welcome to the Village!

This month we welcome Frances O’Flaherty and her partner, Adam Brown, who moved into the village a few months ago – and wish they’d come sooner! She says *“everyone has been lovely and very welcoming”*. Frances is a chartered children’s physiotherapist and he has a small graphic design company and is looking at developing his eco-technology business. They have chickens and cats and can be found at Barn 1, Valley Farm.

If you know someone newly arrived and living in the village, or friends and neighbours who are moving on, please let the editor know.

### Play Your Part by watching out for bogus callers

Suffolk County Council is working with district and parish councils and partners to improve community safety and tackle anti-social behaviour problems across the county, and local people are being encouraged to play their part in making Suffolk safer.

With the warmer weather encouraging doorstep callers onto our streets, residents are being warned to watch out for bogus deals or offers to check services. Statistics show that spring and summer is when unscrupulous traders or thieves posing as officials tend to target unsuspecting householders, some of whom will be elderly or frail.

Suffolk County Council Trading Standards officers are working with Suffolk police, Neighbourhood Watch, Anglian Water and others across the county to protect people from becoming victims of bogus callers.

You can play your part by keeping watch and reporting any concerns by calling Consumer Direct on 0845404050, or contacting your area Safer Neighbourhood Team on 01473 613 500, or visit [www.suffolk.police.uk](http://www.suffolk.police.uk)

Remember the four steps to safety:

- LOCK - make sure your back door is locked before you go to the front door
- STOP – think ‘Are you expecting anyone?’
- CHAIN – secure the door chain before opening it
- CHECK – ask for and double-check the caller’s identity. If you are in any doubt, don’t let them in.

Tips for dealing with bogus traders:

- Don’t agree to any work at your doorstep, or let the job start before you have a chance to change your mind
- Does the work really need doing? If so, shop around and get some quotes and personal recommendations before going ahead.
- A good trader/builder is always in demand, does not need to chase work by knocking on doors and will give you time to consider the estimated price.

- You have a right to cancel any contract signed on the doorstep within seven days. You must be given a cancellation notice with any work. If you are not, the contract is void and no one can force you to pay.

Do you know that about half of all bogus callers claim to be from utility companies such as 'the water board'. Householders can check their identification card is genuine by calling Anglian Water on Freephone 0800 145 145 (24 hours).

Our May meeting was held at Great Finborough on the first Thursday. A very interesting talk and presentation was given by Lynette Francis on the work of the Royal British Legion. Numbers were a little thin on the ground due to illness, etc.

Our outing in June has been changed from 5 June to Tuesday 3 June. A coach will be leaving Buxhall Village Hall at 11 am, going around 'the candlestick' and picking up in Great Finborough a few minutes later. We are going to Felixstowe to enable members to have a lunch and walk along the prom., returning in the afternoon via Jimmy's Farm at Werstead. Cost will be approximately £6 to cover coach expenses.

Advance notice of the Wednesday 9 July meeting which will be another outing. New members are always welcome.

**Great Finborough and District Garden Club**

It appears that summer is here early but don't forget that there could still be a late frost so try to resist the temptation to plant out all those trifids that are trying to break out of the greenhouse.

The AGM, Bring and Buy Plant Sale and Social on was held on 8 May and attended by the stalwarts of the club. As a result they had a wonderful selection of plants and seedlings to choose from and a delicious choice of homemade cake to go with their coffee. The business part of the meeting progressed without a hitch and the Treasurer revealed that we had been able to donate £1185 to E.A.C.H over the past year.

A democratic ballot of the attending members resulted in E.A.C.H being selected as our chosen charity for the coming

year. Open Gardens will be held in aid of E.A.C.H on Sunday 22 June. There will not be an ordinary meeting in June.

The programme has almost been finalized but if you are interested in opening your garden, let us know soon. The garden does not have to be large. Those opening their gardens are invited to an exclusive and select Garden BBQ, provided by the committee "on the President's Lawn".

Finally, if you are interested in joining the garden club or would like to join us for any event you will be very welcome. Membership is only £10 per household per year. Subscriptions for existing members are now due. For further information contact: John Davey; [john@abbeyclassics.co.uk](mailto:john@abbeyclassics.co.uk) on 674401 or Judith Cameron; [judyandian@btinternet.com](mailto:judyandian@btinternet.com) on 672978.

How do you fancy taking part in a zip slide across the hallowed turf of Ipswich Town Football Club?

This is exactly the opportunity that St Elizabeth Hospice is inviting people to take part in on 28 and 29 June.

The first ever sponsored zip slide at Ipswich Town Football Club starts from the top tier of the Greene King stand 200 feet above the pitch. The journey will cover 335 feet, reaching speeds of up to 30 mph, with a landing site in the North stand. The experience will offer a very unique and unusual view of Portman Road, as you zoom across the award winning pitch.

The registration fee for the zip slide is £30 and participants should aim to raise a minimum of £200 in sponsorship. Participants should be over 14 years old. Parental consent is needed if you are under 17 years old. There is a minimum weight restriction of six stones (38kg) and maximum of 16 stones (102kg).

### **Great Finborough & Buxhall Under 5's**

Thank you to all of you who came and supported us at the snowy Boggmen race. We raised a wonderful £212.92 from our stalls and are incredibly grateful to the Boggmen Committee who have also donated a further £250 to the Pre-school. This money is being used to purchase new equipment for the toddler group; support a trip for the pre-school to Banham Zoo in the Summer; and to refurbish the garden area. We hope to see you all again at the Summer Solstice celebrations on Saturday 21 June, at which we will have the ever popular face painting, cake stalls, tombola and many more.

### ***Bags 2 School***

Have you got any unwanted quality second hand ladies', men's, children's clothing, bedding, curtains, soft toys, shoes, belts or handbags? If so start putting them to one side and watch out for the blue bags! We will be making our first collection on 24 June. Details will accompany the bag. Thank you for the community's continued support.

### ***Garage Sale***

Lack of interest has meant we needed to cancel the planned Garage Sale which will not be going ahead on 8<sup>th</sup> June.

**Jane Nunn**

This term the children have been working the topic of 'people who help us'. Claire and Steve, our local police officers, played games with the children, let them sit in their police car and listen to the siren. A big thank you to them. The children had a lovely time and were eager to tell their parents about it. The programme moved on to focus on firefighters, dentists and our own families.

We have a lovely group of children and have welcomed some new ones too. There is still lots more time for fun before the Summer holidays.

SCHOOL**

*The best preparation for life*

Co-educational Independent Day & Boarding School from ages 2 - 18

**Montessori Nursery Open Day 12 June**

**St Andrew's Church**  
**From the Ministry Team**

Dear Friends,

There's a silly song by *Madness* that I'm rather fond of that includes the line: *I'm as honest as the day is long: the longer the daylight, the less I do wrong.* It probably says something about my sense of humour that it never fails to make me giggle when I hear it.

There is something about the long hours of daylight, though, that does lift the soul. I feel as though I expand with the daylight hours, even when it is not accompanied by the heat we'd like with it. It is a delight to sit down in the evening with the curtains open and rise in the morning to sunshine. When it's accompanied by warmth then the garden door is open into the evening and I can step outside without wrapping up first. When I am sat in the drive as the children blat about on their bikes I greet the dog walkers passing bright eyed and bushy tailed - the walk a joy as well as a duty - and strangers greet one another in the sunlight.

We know we are brighter people in the sunlight: our language reflects it – we talk about being enlightened, or in the dark. Certainly we think of the darkness being peopled with thieves and monsters, doubtful people, people who do not wish to be seen (the 2000 film *Hollow Man* hinges upon the idea that what keeps us moral is the fact that others can see us). I think we are more outgoing in the light as well, more revealed, more open, and more aware of our neighbours.

St John writes this "*I am writing you a new commandment that is true in him and in you, because the darkness is passing away and the true light is already shining. Whoever says, 'I am in the light', while hating a brother or sister, is still in the darkness. Whoever loves a brother or sister lives in the light, and in such a person there is no cause for stumbling'*" (1 John 2<sup>8-10</sup>).

He is writing of course not about sunlight, but about – if you'll excuse the pun – Son-light: the light that shines in us as we reflect God; the source of all light. This is the light that enables us to open up and be expansive and available to our neighbours, whatever the weather. This is the light that helps us see our neighbours clearly, however much sunlight shines. This is the light that enables us to look fearlessly at ourselves and see with compassion the darkness that sits within us so that we can root it out.

Rejoice then at the sun that shines within that is warmed so often by the sun that shines without. Let us all work this summer at making ourselves so receptive to it that we can feel it all year round!

**Onehouse Ramblers**

The next walk will be on Sunday 22 June, starting at 3pm from the Church Room car park (about 4 miles). In July we will have another walk outside our immediate locality, probably around Barham ending up with a pub lunch. If you are interested, let me know dates and times when you will be available, so we can make arrangements and plan transport.
