Editorial

As we go to press the Budget has just been published and so you may be busy working out how much tighter your belt needs to be in the next five years. Perhaps that is why we have less news and comment this month. I would like to see more contributions offering opinion on local and national issues in the newsletter together with features on subjects in which I know villagers have expertise to share.

If you know someone newly arrived and living in the village, or friends and neighbours who are moving on, please let me know. 15 August 2010 is the next copy deadline for material for the September newsletter. Please put 'newsletter' in the header if you are emailing. Norman and I welcome visitors so if you need to contact me 'phone, email or call in to Park Cottage any time. The kettle is always on.

Richard the Brave

Richard Brice has given service over two decades at the helm of Great Finborough Parish Council. He took the decision to stand down from the position of Chair at the May Annual Meeting. Although he remains a vigorous Councillor and someone the rest of us look to the moment should not pass unnoticed. The role of Chair can be challenging and draws upon the incumbent's energy, enthusiasm and pragmatism (as well as a significant amount of voluntary time) and Richard has served the needs of the village and villagers admirably. Therefore, on behalf of all the Parish

Councillors, past and present; and the community of Great Finborough, I would like to thank Richard for his contribution to the village during this time. Thanks again Richard!

News from the Community Council

Allotments

Efforts continue to find a suitable site and it is on the agenda for 5 July Parish Council..

Village Hall

Finborough School is talking to MSDC regarding their plans for a sports hall and auditorium and, if community use is offered, this may mitigate the listed building considerations. Pettiward Hall still needs renovation nevertheless. The donated cooker for the hall needs to be collected and delivered. A new kettle has been bought and decorating still needs to be done. This is in hand.

We will need someone to clean the hall so an advertisement will be drafted. Each user group is to take responsibility for minor repairs in the areas that they use, and reasonable costs/expenses for this will be reimbursed when a receipt is received. The situation will be referred to the Parish Clerk.

Youth Engagement

Adult volunteer numbers are reduced to three names on the rota. The money for the youth shelter has been received. It would be most helpful if the land for this could be transferred quickly so that planning permission is not needed.

Car Park/Play area

There is not one in post as a caretaker at present but there is a volunteer litter picker in the village. Mark Brewster will be locking and unlocking the play area and maintaining it, and the car park. There are gaps in the hedge around the car park which need filling in and also the mix and size of planting was not as agreed on the plans. The developer is obliged to rectify this.

Structure of the Community Council

Some plans have come to fruition and there seems to be a lull in enthusiasm at the moment. When the appraisal results are known perhaps this will rejuvenate the group since there should be a clear

direction established for it. A chairperson is needed, and all groups who use the hall should be represented on the Council.

Village amenities

The construction in Valley Lane, adjoining the new village housing scheme, of the multi-purpose pitch and surrounding regraded meadow is fast approaching completion by Peter Blemmings of Gipping Valley Homes. Together with the adjoining woodland we hope to form a 5 acre meadowland and woodland Conservation Area (CA) for the community to enjoy for informal and passive recreation. A meeting has taken place with the Green Light Trust to see if there is an opportunity for collaboration.

Future Dates

18 October and 20 December 2010.

Bus Services

Attempts to reduce our local carbon footprint and prepare for a future with much less oil are to suffer a heavy blow, with bus services drastically reduced. I have obtained the timetables effective from 31 August. The shortfall will be made up by the Club 88 Taxibus, which makes 3 journeys serving Buxhall, Onehouse and Harleston each morning (Monday to Saturday). In addition it will respond for pre-booked journeys in the afternoon, up to 7pm. They must be booked between 8am and 1pm. Further details at:

<http://www.suffolk.gov.uk/NR/rdonlyres/1A2D6642-5FAE-429D-9F89-7E56B0E244B4/0/CTClub88Taxibus.pdf>

This reduction reflects very low levels of bus usage, and County Council cash cuts, but leaves Great Finborough with almost no service at all. I will be lobbying for the Club 88 service to be extended to Great Finborough, and need to hear what regular journeys people wish to make for work, school, health or shopping needs. Bookings and information on the Club 88 service is available on 01449 616000.

News from The Primary School

We are now in the last weeks of our Summer Term and sadly we will be saying goodbye to our Year 4s who are moving on to Middle School. We wish them all well and success in their new schools. To celebrate their time here at Great Finborough we will be holding a Leavers Service on 19 July followed by a picnic lunch and then the Leavers' Assembly here at school in the afternoon - so bring your hankies.

The Year 4s have a residential trip to Felixstowe Ferry Centre planned. In previous years this has proved to be very successful with visits to Languard Fort and lots of activities on the beach. To finish off the term the whole school is visiting Walton on the Naze with Badwell Ash Primary School. We hope for sunshine on that day!

Work in school and outside areas is progressing rapidly. Pleased with all the work carried out so far we hope to move this forward over the holidays: a new fence, entrance gate and renovation of the library. You may have noticed the new bicycle shelter - very kindly donated by parent, Nick Robins and his company NJR Tubular Solutions. Thanks, Nick, for this generous donation and it had its first use in Cycle Proficiency Week.

I do hope you all have a fantastic Summer. We look forward to welcoming in our new children into Foundation Class in September. Many thanks for your continued support.

EACH Treehouse Appeal

Thank you so much for the wonderful support for our Butterfly Cake and Coffee get-together. We raised £665 for the EACH Treehouse Appeal. Thanks to all those who came along for coffee and cake, all those who made delicious cakes and, of course, all those who donated so generously. The EACH Treehouse Appeal is to raise £3 million for a new children's hospice for life-threatened children and their families in Suffolk and North Essex. If you want to help in way please give me a call on 675447.

Personal Invitation

Changing Places Event, 26th July 2010, 10-12 noon
Kesgrave Community Centre, Ipswich, IP5 1JF

Would you be happy to lay down on a toilet floor? At the moment if you have complex or multiple disabilities you have to be changed on a public toilet floor because standard disabled toilets do not have the correct facilities. The nearest Changing Places toilet is in Norfolk! This is not acceptable.

Suffolk Learning Disability Partnership Board are working in partnership with Mencap to help plan for the future.

You are invited to attend a presentation and question/answer session at Kesgrave Community Centre, Kesgrave, Ipswich, IP5 1JF on Monday 26th July 2010. The event will start at 10am and finish at 12 noon which will be followed by refreshments and buffet.

Your attendance is crucial to planning for the future and improving standards for the people of Suffolk. For more information go to www.changing-places.org

Numbers are limited and organisers are keen to ensure that there is an effective mix of attendees. **RSVP to Alex Catling by 12 July.**

Buxhall and Great Finborough over 60's Candlestick Club

July's outing is a day trip to Great Yarmouth on Tuesday 20 July. The coach will be leaving at 9.45am from the Old Chapel, Great Finborough, and then from Buxhall Village Hall at 9.50am. Refreshments have not been arranged so you are free to sort yourselves out.

The next outing will be on Thursday 5 August and will be a day trip to Clacton. Pick up times will be the same as the July outing. We will leave Clacton at 3.30-4pm to stop on the way home for a delicious WI tea. I'm sure some of you can remember the lovely outings that Evelyn Fisher arranged, so we would like as many of you as possible to come along. Please let me know if you are coming as soon as you can. New members are always welcome.

Enjoy better sex by keeping fit

Keeping fit can make sex even better – and better sex can make you fitter – that is just one of the benefits of living a healthy and active lifestyle. Too many men are taking too little exercise. Join the national campaign to get men up off the sofa and walking, gardening, swimming, jogging – in short, moving more.

Physical activity has a huge range of benefits including reducing stress and anxiety, helping keep weight down, reducing the risk of heart disease as well as increasing sexual performance. And, when it comes to activity the message is clear – exercise need not be too difficult or too long. Just 30 minutes, five days a week, can hugely improve men's health and wellbeing.

Exercise needn't involve going to the gym or joining an expensive sports club – simply doing some walking, gardening or DIY contributes to the recommended 30 minutes of exercise a day. Facts on Suffolk health:

- 80% of men aged over 45 are either overweight or obese
- More than 2,000 people die prematurely (aged under 75)
- The main causes of death are cancer, heart disease and stroke.

Stay aware

The longer days and warmer weather mean children are spending more time in the garden enjoying the outdoors – which is good. Water holds a particular fascination, with garden pools, paddling pools and other water features often being an exciting source of interest. But drowning is the third most common cause of accidental death in under 16s so it is important that we are all aware of the dangers of water and garden ponds.

Young children aged between one and two are particularly at risk due to their increasing mobility. Their stability and co-ordination are still poor and they do not understand the concept of danger until the age of four or five.

Most child drownings in back gardens or garden ponds happen quickly, with death in about two minutes. It is important for parents/carers to be vigilant and to make sure that garden ponds and other water features are secured to avoid access by young children. The dangers of even the shallowest water should never be underestimated.

Please consider:

- Containers holding rainwater should be emptied or sealed to prevent children gaining access
- Paddling pools should always be emptied and turned upside down after use

Great Finborough & District Garden Club

The gardening year seems to be accelerating faster than ever and the recent rain has caused everything to grow at an alarming rate. The lawn seems to need more mowing than ever! I have not seen better displays of early Summer flowers, which also means that the weeds need constant attention too!

The annual Open Gardens will be held on 4 July to help raise funds for the EACH Treehouse appeal. We are hoping that as many people from the village as possible will help to raise a goodly sum for this very worthwhile cause. In addition to the usual teas, ice cream, tombola and plant stall we are also running a scarecrow competition for both adults and children. The children will have already received the information through the school and we hope that many of you will join in. For those of you no longer at school we hope that you will also join in and support us in our efforts. For further details please contact us. The Presidents Lawn BBQ, hosted by the committee to say thank you to those who open their gardens to the public, will take place on the evening of 3 July.

Open gardens is followed by the now customary Garden Club Summer BBQ at 'Jordan' on Thursday 29 July to celebrate another successful Garden Club year. We supply the cooks, BBQ sauces and bread. Members bring along something to cook, a salad or dessert to share and their drink of choice. With (hopefully) fair weather the evening will reflect the enjoyable spirit of the Club.

Once replete with the Midsummer social events do not forget to note in your diary the first meeting of the new gardening year. This takes place on 9 September at the usual time of 7.30pm in the Pettward Hall, and will feature a talk by Ben Potterton on the subject of 'Unusual Plants'.

If you are interested in joining the Garden Club or would like to join us for any event you will be very welcome. Membership is £12.50 per household per year. Non-members can attend meetings for £2 per person. For further information contact me or John Davey at john@abbeyclassics.co.uk - see Who's Who. **Judith Cameron**

FHOBS Lunch Club

FHOBS is a thriving Lunch Club with about 40 members who enjoy a meal and some valued comradeship. This takes place on the last Tuesday of each month: 12 noon for 12.30pm in Buxhall Village Hall. A small charge of £3.50 is made to cover expenses. We would be delighted to welcome new members. Please contact me on 737814.

Wedding Wear Amnesty for Hospice

With the Summer wedding season well under way, why not donate your old outfit to St Elizabeth Hospice's shop in Stowmarket? The Hospice is holding a wedding wear amnesty this Summer during which people are asked to donate the wedding clothes they no longer need. The outfits will be resold to raise money for the charity, which costs £5.9 million a year to run. All eleven Hospice shops throughout East Suffolk will be taking donations, including the one in Bury Street, Stowmarket.

Then a special wedding department will be set up at the Ipswich and Saxmundham Hospice shops, to sell the collection for people looking to revamp their wedding outfit this year. A woman's wedding dress is a precious item, so why not consider giving it as an extra special gift to the Hospice shop after it has been worn. It will be gratefully received and will help us to continue to raise funds to care for our patients and support their families and carers.

It is not just wedding dresses that can be donated for resale. Why not dig out last year's hat, shoes or handbag you may have worn for the wedding reception, the groom's suit or even the bridesmaids' dresses. St Elizabeth Hospice relies on the generosity of the local community to help it raise funds to continue to provide its services to people throughout East Suffolk. Visit our shops and

Buxhall Women's Institute

At the May meeting we discussed and voted for the Resolution to be put forward on behalf of all WI members. We then had a 'Bring and Buy sale' where we raised over £70 for our funds thanks to the generosity of the donors and purchasers.

Chris Place was our speaker. He related the background to his present job in the prison service involving sniffer dogs. The proceedings livened up with the introduction of a golden Labrador called *Rusty* and *Buzzy*, a Springer spaniel, who quickly showed their skill in locating previously hidden contraband in the form of drugs and mobile 'phones. Having done their job they then located our buffet and a swift swoop was needed to protect it!

Val Lord, with her team of Sue Marks and Bernie Brand, made a superb job of creating our entries for the Suffolk Show where they achieved very high marks. We owe a big vote of thanks to Val for co-ordinating and motivating our entries. She hopes for more volunteers when the programme is announced for next year's challenge. Sue lives in Portugal and despite not being able to attend any meetings is a fully paid up member who continues to contribute her creative skills and support our Institute.

Libby organised a very enjoyable outing to Carter's Vineyard near Colchester where we watched a video of a year in the life of a vineyard, had a guided walk round the vines, tried and tasted a range of wines and finished with a cream tea.

The June walk took off from Needham Market, covered four miles on a balmy Summer's evening passing Barking Church where keen bird spotters saw a peacock in a field. On to Darnesden Church where long distance views were enjoyed. A meal followed at The Limes.

We are now looking forward to our next outing: Ladies Day at Newmarket. Posh hats, best dresses, and a buffet lunch and tea are the order of the day. Horse racing comes somewhere in the middle. There is a member's only garden party on 21 July which starts at 6.30pm at Buxhall Village Hall. On 18 August our speaker will be

Joanne Hammond talking about 'baskets from the wild'. Doors open 7pm for 7.30pm start. Visitors welcome.

Jackbridge Cottage

Friends or family coming to stay? Need some extra space for a week? This could be the answer you are looking for.

Jackbridge Cottage is a brand new cottage available for rent, situated on the outskirts of Great Finborough in an idyllic rural location with beautiful views. Ideal for a couple, this charming cottage is well equipped, comfortably furnished and has a four star rating from the Quality in Tourism Board.

For further details or to book the cottage please contact Teresa Pemberton.

Farm Assured Beef

Grass fed hand reared beef available on your doorstep. All our cattle at Jackbridge Farm are grazed through the summer months on local pastures that are free from artificial fertilisers and sprays.

In the winter months they are fed on home produced silage and cereals. All our beef is hung to mature, to enhance its flavour, and is then traditionally butchered into convenient cuts.

The beef comes freshly frozen in a variety of pack sizes and with a variety of different cuts, such as joints, casserole beef, mince and burgers.

To place an order for beef or to find out about the holiday cottage please contact

Keep cool and safe in the hot weather

In the Summer weather there is more opportunity to spend time outdoors – enjoying gardening, walking on the beach or exploring the countryside. At this time of year it is easy to underestimate the strength of the sun and the damage it can cause to your skin and to your health. Older people, babies, young children and those with breathing and heart problems, in particular, may be harmed. Here are some tips:

Sunscreen – Remember to apply sufficient sunscreen, preferably with a minimum SPF of 15. Sunscreen can be easily washed or sweated off, so remember to re-apply it regularly. Do not be tempted to use sunscreen that is past its use-by date – old sunscreen loses its protective properties and will not protect you from the sun's rays.

Clothing – Wear a brimmed hat and loose fitting clothes, preferably cotton.

Sunglasses – Wear good quality sunglasses. Remember if you need sunglasses, so do your children. Buy them a pair as soon as they are able to wear them.

Drinking – Drink soft drinks regularly, even if you do not feel thirsty. Water and fruit juice are best. Avoid alcohol, tea and coffee and fizzy drinks. They make you more dehydrated.

If you feel unwell or have unusual symptoms after being in the sun, (cramp in your arms, legs or stomach, feelings of mild confusion, weakness or problems sleeping), rest for several hours. Keep cool and drink plenty of water or fruit juice. Seek medical advice if your symptoms get worse or will not go away.
