## Editorial

Back to school; back to University and College; back to work. The seasons change again and the newsletter serves to keep you in touch with what is happening in the village. Can we spice it up a bit over the next few months? The newsletter would benefit from being a bit more opinionated; a little more controversial. There is plenty to comment on in village life let alone the wider political and social milieu – and there is no shortage of residents with strong opinions. Let's hear them on these pages.

If you know someone newly arrived and living in the village, or neighbours moving on, please let me know. 15 September is the copy deadline for material for the October edition. Please put 'newsletter' in the header if you are emailing. Norman and I welcome visitors so if you need to contact me 'phone, email or call in to Park Cottage any time. The kettle is always on.

Thank you to those who helped organise this event and to John and Mary Williams who kindly let their magnificent barn be used again. The barn dance was well-attended and enjoyed by the very young, quite old and those inbetween! I have already had requests for another one next year. The main purpose was for villagers to get together but we did raise about £120 towards village funds.

## **News from the Primary School**

We welcome all our children back to school after a wonderful Summer break and hope you are all relaxed and ready for our Autumn term. We are especially pleased to welcome the new children to Reception (Green Class) and hope they will be very happy in our school. Let me also introduce Mrs Tessa Sait and Mrs Kelley McGrath-Wells who we welcome to the school as additional teachers. They will share teaching Red Class.

We were sad to see Mrs Gill Jones, our Cook, retire after 5 years at the school and wish her every happiness in her retirement. She had a lovely send off at the end of last term. We also said goodbye to our Year 4 children who moved onto Middle schools where we expect they will be happy and successful.

You may have noticed the new path that was created before we broke up for the Summer together with all the other construction work going on in and around the school. Thank you to everyone who has contributed to the projects. Things are moving forward with the Library and we are particularly excited about it. Many thanks for your continued support.

## **VivaVoices!**

Those of you who enjoyed Kathleen Butt's Singing for Pleasure evenings in Onehouse may be interested in a new singing course starting this September in Stowmarket.

VivaVoices was founded in 2009 by singer and pianist Graeme Hopson MMus BMus. Classes are currently held in Ipswich, Bury and Cambridge for men and women of all ages and abilities. A new class will start on Thursday 30 September from 7.15pm to 9.15pm at Stowmarket Middle School, Walnut Tree Walk. It is a 10 week course and you enrol for a term at a time. The fee is £65 or £55 for people over 60. The first session is free so you can "try before you buy".

David and I attended the Ipswich course last term and it was great fun. We sang a wide range of songs from The Beach Boys to Haydn. Further details are available from the website [www.vivavoices.co.uk](http://www.vivavoices.co.uk) or telephone Graeme on 01284 700286. I hope to see you there!

## **Give your child a healthy start in life**

### ***Do you qualify for free Healthy Start vouchers?***

The Healthy Start Project is a great way to get free vouchers every week which you can swap for milk, fresh fruit, fresh vegetables and infant formula milk. NHS Suffolk is encouraging pregnant women and families with children aged up to four who are in receipt of eligible benefits to apply.

Healthy Start is a great way for women to eat healthily during their pregnancy and gives young children a fantastic start towards a long and healthy life. Having children can be expensive and many people may find it difficult to afford fresh fruit and vegetables, so these free vouchers are an ideal way of saving money and staying healthy at the same time.

You qualify for Healthy Start if you're pregnant or have a child under four years old and you get Income Support, income-based Jobseeker's Allowance, or Child Tax Credit and have an annual family income of below £16,190 or less (2008/9). You also qualify if you are pregnant and under 18 years of age.

Healthy Start vouchers are worth:

- £3.10 a week if you're pregnant
- £6.20 a week for each baby aged under one
- £3.10 a week for each child aged over one and under four

You can use your vouchers in any shop that's taking part in the scheme. Look out for the Healthy Start stickers in shop windows, or ask inside. Healthy Start shops include greengrocers, milkmen, market stalls, chemists, corner shops and food co-ops as well as supermarkets.

You can download the application form at [www.healthystart.nhs.uk](http://www.healthystart.nhs.uk) or ask your midwife or health visitor for the form. Complete the form and take it to your GP or midwife for their authorisation. Then post it to the Freepost address: *Healthy Start Issuing Unit, FREEPOST RRTR-SYAE-JKCR, PO Box 1067, Warrington, WA55 1EG.*

**Dr Mashbileg Maidrag, NHS Suffolk Consultant in Public Health  
Community Wild Space**

Everyone is welcome to a public meeting on Tuesday 21 September at 7.30pm at the village Primary School to look at the possibility of creating and looking after a community owned Woodland and Nature Conservation Area in Great Finborough. Grenville Clarke, of the Green Light Trust, will outline the plan and explain how the village can have its own Woodland and Conservation Area for recreation, community events and wildlife. The idea is supported by the Parish Council and the Garden Club, and the land will be given by Mid Suffolk District Council.

The Green Light Trust is an environmental and educational charity which has an exciting scheme called Community-owned Woodlands. They have the expertise and experience to guide and assist the start up and maintenance of the project. More than 23 projects in Suffolk alone, with many elsewhere, have benefitted from their help including ones in Needham Market and Old Newton. Great Finborough could be next.

Such a community owned wild space is run by the community under the guidance of a group of local people with the help of the Green Light Trust. The aim is to give everyone a chance to have a go at planning, planting, coppicing and maintenance of the wood and meadow for the community and wildlife. One aspect of the project is 'Seeds to Trees' where children collect tree seeds and acorns, grow them in a nursery and then plant them in the wood. They can watch them grow all their lives. The Green Light Trust offers training to us in tree planting as well as woodland skills like coppicing, hedge laying and live willow weaving.

If there are enough people who are interested in coming to the meeting a group can be formed. Then the fun starts by working with the community and forming a new Wild Space for Great Finborough.

### **1<sup>st</sup> Great Finborough & Buxhall Brownies**

The Centenary year is coming to a close in October with a celebration for all Guiding members on 20 October 2010.

The Brownies have earned their 100 adventure badge (a special badge designed especially for our 100<sup>th</sup> year), which included a visit to a Town 102 FM radio station. A recorded message was then played out on the Breakfast Show the next morning. We have also visited Needham Lake for a Bug Hunt, and learnt archery with the Wattisham Brownie Pack. Our last meeting of the term was a sponsored walk for Guide Dogs in Combs, where we were accompanied by Edward the Guide dog and his owners, and finished off with ice creams in my garden.

The following weekend, also with Wattisham Brownies, we went on Pack Holiday to Felixstowe and had a wonderful time. Our theme was Alice in Wonderland with a Mad Hatters Tea Party. We said good-bye to 5 Brownies who are moving on. So we now have spaces for new girls to join. We re-start Brownies on 6 September 6pm ~ 7.15pm at the Primary School in Great Finborough. ### **Buxhall and Great Finborough over 60's Candlestick Club**

Members have enjoyed two outings since I last put pen to paper. In July we had a day trip to Great Yarmouth and in August we went to Clacton-on-Sea – followed by a delicious WI tea at Stratford St Mary.

In September please note the following changes. Joining with Onehouse, Shelland and Harleston, we will make a half day trip to Felixstowe on Tuesday 14 September. The coach will leave Finborough at 11.15am, Buxhall at 11.20am and on to Harleston for 11.30am. Please telephone Katie on 736430 or me if you want to come. New members are always welcome.

**Come and join the ultimate pyjama party!!**

St Nicholas Hospice Care's most successful fundraiser of all time – Girls Night Out – is promising to be bigger and better than ever when it returns on 18 September. Last year's 11.2 mile night-time walk through the streets

of Bury St Edmunds saw more than 350 pyjama-clad women take part – and raise a fantastic £60,000 in the process. Now, it is hoped that amazing total will be bettered this time around.

As well as raising great sums of money for the Hospice, the aim of the walk is to have fun – which means any women, of any age or ability, can take part. Anyone who would like more information or who may be able to support this wonderful event, should contact the Fundraising Team on 01284 747614. You can also register your interest in this year's Girls Night Out via the Hospice website at <http://www.stnicholashospice.org.uk/Events/Girls+Night+Out+2010>.

**EACH Treehouse Appeal**

On behalf of East Anglia's Children's Hospices I would like to say a huge thank you to the committee members of Great Finborough Garden Club for organising yet another successful Open Gardens event. This year's event raised a fantastic sum for the EACH Treehouse Appeal; and a further £100 was raised from plant and garden equipment sales to sponsor a brick in the woodland walk. I also need to thank all those that kindly opened their gardens, made delicious cakes, served teas, or made donations of money, plants and tombola prizes. Thank you. I do appreciate everything you do to help make this such a wonderful event.

## **PALMERS BAKERY**

HAUGHLEY

As you may have heard, the Bakehouse at Haughley won its battle with Haughley Parish Council for access and services shown to be in existence since 1189AD. The Council had threatened to force the closure of the ancient business on the village green by denying it access and services. However, shortly before legal proceedings commenced, the Council and with Mr Jeffery Bowden capitulated and asked for terms of settlement withdrawing their objections made under two Victorian Acts of Parliament ending this six year endeavour. The Council, which had been consistently advised not proceed, had spent nearly £50,000 or 125% of its annual budget on this matter and have since been ordered to pay Palmers' legal costs.

Palmers was deeply touched when over 20,000 people turned out in an unprecedented show of support when the Bakehouse and its shops were threatened with closure. It shows that there is still, alive and well, a community spirit. The future of the Bakehouse, its jobs and local shops is now secure so on behalf of Palmers, its staff and family, thank you for restoring its faith in human nature, kindness, decency and common sense. Thank you.

### Great Finborough & District Garden Club

The traditional Summer holiday for the Garden Club, when we sit back and harvest as well as admire the fruits of our labours, has passed all too quickly. Now it is time to report on the events of the last two months as well as look forward to the Autumn meetings.

The club hosted the annual Open Gardens on a beautiful sunny day on 4 July. We slightly exceeded last year's numbers of visitors. With the proceeds from the plant stall, tombola, teas, donations and the garden equipment sale, the Club was able to give a donation of £1220 to the East Anglian Children's Hospice (EACH) Treehouse Appeal. The Club is tremendously grateful to everyone who opened their gardens, helped out on the day or just supported our endeavours. The preview evening BBQ for those who volunteered to open their gardens was very well supported and thoroughly enjoyed by all.

Of course the major social occasion of the gardening year was held on 29 July. It saw most of the club's membership return to Vera's garden to celebrate another successful Garden Club year with the now customary Club BBQ. The club marquee was required only as a sunshade and the evening reflected the sociable spirit of the Club with the horticultural aspects covered by admiration of Vera's garden which is so beautifully maintained. Thank you very much Vera. Your kindness in allowing us to use your lovely garden for this occasion is much appreciated by us all.

The first event in the new Garden Club year will be a talk given by Ben Potterton on 'Unusual Plants'. I can confidently predict that we shall all be seeking out or trying to grow some of his suggestions. This will take place on 9 September at 7.30pm in the Upper Room of the Pettward Hall.

If you are interested in joining the Garden Club or would like to join us for any event you will be very welcome. Membership is £12.50 per household per year. Non-members can attend meetings for £2 per person. For further information contact me or John Davey at [john@abbeyclassics.co.uk](mailto:john@abbeyclassics.co.uk) - see Who's Who. **Judith Cameron**

### **Buxhall Women's Institute**

The summer months have been very full and varied for WI members. They started in June with Edward Crichton speaking on his subject of Antiques. He was interesting, personable, humorous and knowledgeable and kindly valued various items we had taken to the Meeting. It has been decided at Group level to mark Speakers 1-6 on performance, the lower number being the highest rating. For this occasion our President said she would like to give him 1 and we all agreed!

Barbara, Dot, Linda and I took part in the Federation Quiz where we did not do as well as we expected. Whilst we scored 19 out of 20 on the subject of chocolate, the recent General Election questions had us floundering. Nevertheless, we had a good laugh and enjoyed the night out. The July walk left from Sproughton and went along the scenic River Gipping followed by a meal at The Wild Man.

Next came racing on Ladies Day at Newmarket. This is such a fun day out. Going as a group one feels more confident trying new venues and Racing was a first for me. We had lunch, watched the racing and enjoyed a cream tea. As with the quiz our winnings were not as high as expectations and a more 'even' scenario was the case. We then held the annual Garden Party at West End Kennels in their meadow. Lyn, Helen and the Grahams (husbands) do so much to give us a lovely evening which nearly 60 members enjoyed and appreciate thoroughly. The August walk was at Thornham. Starting from Thornham's Four Horses we covered almost four miles along green lanes and footpaths to Wickham Skeith. We returned via a circular route to the pub. where a very nice meal was waiting.

Libby has organised an outing to Southwold and a show for 4 September. Sorry - all tickets have been sold. The next meeting, on 15 September, takes the subject 'Catering the Royal Way'. The speaker will be Dr Patrick Thompson. Doors open 7pm for a 7.30pm start. Visitors and newcomers to our village very welcome. Remember: we are holding the Harvest Supper on 25 September. Tickets £10.

### Jackbridge Cottage

Friends or family coming to stay? Need some extra space for a week? This could be the answer you are looking for.

Jackbridge Cottage is a brand new cottage available for rent, situated on the outskirts of Great Finborough in an idyllic rural location with beautiful views. Ideal for a couple, this charming cottage is well equipped, comfortably furnished and has a four star rating from the Quality in Tourism Board.

For further details or to book the cottage please contact Teresa Pemberton.

### Farm Assured Beef

Grass fed hand reared beef available on your doorstep. All our cattle at Jackbridge Farm are grazed through the summer months on local pastures that are free from artificial fertilisers and sprays.

In the winter months they are fed on home produced silage and cereals. All our beef is hung to mature, to enhance its flavour, and is then traditionally butchered into convenient cuts.

The beef comes freshly frozen in a variety of pack sizes and with a variety of different cuts, such as joints, casserole beef, mince and burgers.

To place an order for beef or to find out about the holiday cottage please contact

### Ladies' Lunch

The next lunch will be on Thursday 7 October in the Church Room at 12.15pm. The speaker will be Meg Clibbon, a local author of children's books illustrated by her daughter. We hope Meg will bring some books with her to sell after she has told us about the process of going in to print. We look forward to welcoming you who have come before and new people who are interested in trying what is a very sociable gathering over a light lunch. There is a collection to cover the cost of the lunch. Why not bring a friend? So that there is sufficient food could you let me know by 5 October. ### Children's Service.

There will be a service for young children in the Church Room on Tuesday 21 September at 4pm. This is very much a fresh expression of worship, asked for by one of our young members. The service will be planned and led by the children. It will last about 15-20 minutes and will consist of some hymns/worship songs, prayers, a reading from the Bible and a short story. We will end with a drink and biscuit. All children are welcome, however young. We look forward very much to welcoming parents or carers and any adults who would like to come along with or without young children.

### Protect our Church Heritage

The Listed Places of Worship Grant Scheme is due to end in March 2011. The demise of the scheme combined with an increase in VAT to 20% is a double blow. It means we cannot reclaim the VAT on vital repairs and maintenance of the Church building. You will know how hard it is to raise funds to maintain our local church buildings. The scheme is small compensation for the millions of hours of unpaid work undertaken by congregations within their communities and as caretakers of this irreplaceable part of our national heritage.

The Diocese is campaigning to 'Save our Scheme'. Its online petition is at:

<http://www.stedmundsbury.anglican.org/pages/admin/buildings/LPWS%20pet%20july2010.htm> There is a paper copy of the petition in all our local churches, and also in the village shop in Great Finborough. Do please take a moment to sign it, either online or on paper. We have very little time to persuade the Government to extend the scheme. **Lesley Cass**
