## **Editorial**

Welcome back to all our readers after the Newsletter's summer break. It's been a busy two months' events wise with a fantastic Open Gardens, wonderful barn dance, Garden club annual barbeque, several coffee mornings and a pub reopening party to name but a few of them.

The consultation questionnaire on the football pitch is now closed, details of the results can be found in the newsletter. A big thank you to the people who took the time to reply.

Speedwatch is now back up and running in the village so hopefully we can help reduce the speed of vehicles passing through our village thus making it a safer environment for young and old alike. If you would like to be part of the team and help make a difference please contact myself or any member of the Parish Council.

The Post Office van has changed its routine, its new hours are 2.30pm to 3.30pm Monday and Tuesday. Please try and use the van for all your Post Office needs to ensure this valuable community service is maintained.

We bid farewell to Lesley Cass who has moved from Valley Lane. We wish her well and thank her for all of the time and effort that she has expended on behalf of Great Finborough and St Andrew's church in particular. Also, a fond farewell to Alan and Bridget Cooper, who also move from Valley lane. We look forward to welcoming new residents in our next newsletter.

The 15 September is the deadline for inclusions in the October issue of the newsletter, so please contact Simon Tarabella or Peter Turner or drop in to Maple Lodge, the kettle's always on. We are also still looking for an editor to share the load, so don't be shy, why not give it a go for a few months' trial period.

## **Great Finborough Parish Council**

Our scheduled July meeting dealt with the usual subjects including approval of various expenditure, together with discussion around the Councils responsibilities for Auto Enrolment Pensions and Councils regret that the Listing of the shop as a Community Asset had been overturned on appeal.

An application for a grant from Battsford & District Cricket Club was considered and it was acknowledged that the club hosted the Primary School sports day and several children and adults from the village used the facilities regularly, therefore it was agreed that a donation of £50 be awarded to the club.

**Valley Lane Recreational Area-** The results of the public consultation regarding Valley Lane facilities were discussed at length – Only 24 completed questionnaires have been received which is a very disappointing response considering the implications to this valuable community asset. The initial commitment from the Primary School was only backed up with 8 replies from satchel post. With this result from residents it will be almost impossible to source external funding for even the smallest of schemes.

The responses that were received highlighted a wish for some sort of improvement or replacement of the football pitch with an all weather surface and lowering of levels or fencing. It was resolved that due to a lack of positive support from the consultation process and no remit to spend time and money on improving this sports facility there will be no project to replace the football pitch at this time.

Other suggestions to come from analysis of the responses were improved picnic areas and an enhanced family area. It was agreed that improvements could be made to the weed control and grass surfacing with consideration of additional picnic benches and football nets taken at the next meeting.

**Community Speed Watch** – With the equipment now ready for use sessions have commenced. The high numbers of excess speeds

recorded in the few sessions carried out have already confirmed that this community scheme is an essential tool in the drive to improve safety through the village.

A huge thank you goes to those people who have given their time to get this scheme up and running again. We are always keen to get more volunteers on the rota so if you think you can spare the odd hour occasionally please contact Cllr Simon Tarabella or myself for details of how to get involved.

**Planning** - With no meeting planned for August a short additional special meeting had to be called at the end of July to consider a planning application that had a response deadline well before our September meeting. With no representation from members of the public it was resolved to submit a No Objection comment to the application for the Erection of a new front porch at Aldecott, Valley Lane.

Our next scheduled meeting will be on Monday 12 September at Pettiward Hall, please come along if you have any comments, suggestions or questions, councillors would be pleased to see you.

### **Local History – Help Needed Please**

I have for many years been building up an “archive” of Finborough in the past. You may have seen the display at the Queen’s 90<sup>th</sup> event in the marquee (If you missed it, it is still on show at the back of the church). Did you know that in 1926, the year the Queen was born, the Suffolk Show was held in the grounds of Finborough Hall?

I really need some help with the “archives”. People sometimes entrust to me photos of places, events or people from the past. Would someone be able to take on the scanning and cataloguing of photos. Russell Kent did a great job before he moved from Middlefield Drive to his narrow boat. I have struggled on since he left but I am not very technologically minded and where as I am quite happy to keep on collecting info about the village, I would love to pass over this side of

the job to someone else. It isn't very time consuming and can be done when it's convenient to you. I can promise you will find out interesting things about the village!

Can I also ask for any material about the village you may have that could be copied and added to the growing information I already have? If you want to know anything about Gt Finborough, I may be able to tell you.

## **BARN DANCE**

Another very enjoyable event. Although numbers were down on last year pleasure was certainly not. New faces, old timers and children all joined in to make this the most fun packed four hours you can get for £8 which included a ploughman's supper, pudding and a choice of punches, one with a kick in it and another without. Derek, our "caller" did not disappoint, he lead us through the steps and untangled us when going under an arch or linking arms or stepping to the left or right became confused. It really was a cracking evening when laughing almost drowned out the music and the end came all too quickly.

My thanks go to all those who helped to set up, put away and serve food, but most of all to Sally, my partner, who did all the food and to John and Mary Williams who very kindly gave us the use of their lovely

Boarded Barn which was just the perfect setting for this really smashing event. We made a profit of £186.97 which has been donated to the Systic Fibrosis Trust.

See you all again next year.

### **Great Finborough & District Garden Club**

The traditional summer holiday for the Garden Club, when we sit back and admire the fruits of our labours and hopefully harvest and enjoy them too, has passed all too quickly and it is time to report on the events of the last two months as well as look forward to the season of autumn meetings.

The club hosted the annual Open Gardens on a day which produced heavy rain in the morning but cleared up nicely by mid-afternoon. Visitor numbers were high with many travelling some distance to reach us. The combination of ticket sales, proceeds from the plant stall,

tombola, and teas, meant that we were able to donate the grand sum of £1460.00 and 20 Euros to St Andrews Church for the loo/kitchen fund. The club is tremendously grateful to everyone who opened their gardens, displayed their classic cars, helped out on the day or just supported our endeavours. The preview evening BBQ "On the Presidents Lawn" for those who volunteered to open their gardens was very well supported and thoroughly enjoyed by all.

The major social occasion of the gardening year, the annual club BBQ was held on the 28 July and saw almost all of the club's membership plus guests invade Pat and Peter Turner's garden at the Little House to celebrate another successful Garden Club year. This year it was decided that the Petteward hall would be the recipients of funds raised at the BBQ. The weather was cooler than usual on BBQ night but this did not impair the generous and sociable spirit of the Club with £250 being raised. Thank you all. The horticultural aspect of the club was covered by admiration of Pat and Peter's now mature prairie border, flourishing vegetable patch and bountiful tomatoes. Thank you both, your kindness in allowing us to use your lovely garden for this occasion is much appreciated by us all. I am sure that the members would also wish me to express our thanks to the team of cooks, John, Ian and Peter who ably ensured that we all ate at the same time, to all members for the wonderful array of delicious salads and desserts and to those members who assisted with the setup and take down of the marquee, tables and chairs.

The first event in the new Garden Club year is a talk given by the Master Composter Alan Arnold with recipes, tips and thoughts on the current council views on composting. This will take place on the 8 September at 7.30pm in Petteward Hall.

Finally, if you are interested in joining the garden club or would like to join us for any event you will be very welcome. Membership is only £15 per household per year or £2.50 per individual for a single meeting. For further information contact either: John Davey or Judith Cameron (see who's who).

## **Finborough Flyers**

The flyers had a get together in August and it was great to see some new faces amongst the regular members. The weather was glorious and we took a quiet route through to Brettenham and then onto Preston St Mary for some much needed refreshments at the Six Bells. For some reason the gradients on the route back through Kettlebaston seemed slightly more challenging although we all managed to return safely to Great Finborough having completed the 18 mile circuit.

If watching our Olympians and Tour de France cyclist bring home the medals and conquer the mountains has enthused you to dust of the bike, then drop me an email and I will include you when I sent out details of the next ride.

## **The Churchyard and Dogs.**

The Churchyard is tranquil and beautiful place, very special to many people who come to remember their loved ones. Periodically some people allow their dogs to run loose and foul. This causes distress and upset to several people let alone health risks to those maintenance volunteers. Our bylaws require dogs to be kept on leads and of course there is a dog waste bin near the gate. Please be more considerate.

## **From the Rectory**

September always feels to me like another start to the year. For those engaged in education it certainly is and as meetings and events pick up again after the summer break we can be forgiven for thinking – here we go again. No sign of Christmas in the shops as I write but Harvest Festivals, Christmas planning, darker nights and the endless cycle of meetings are here again. For many it is the long run without break to the end of the year and many hate the darker nights. What happened to the Trafalgar and St Edmund Bank Holiday suggestions?

But into the ever circling year comes the New with the potential for transformation. We are doing very well at the Olympics which is giving our international standing a great boost at a time when many feel Brexit has signalled isolationist/retro tendencies. The Olympics mirror our traditional sense of fair play. Our democracy can still allow the real concerns of people to speak over the political parties with the Brexit vote. The Olympic boost will perhaps give us new vigour on the world stage as we renegotiate our international relationships and locally think how we relate to those different to us and vice versa. Transformation indeed.

Again Buxhall and Shelland's Fete was a wonderful success, the scaffolding is down at Gt Finborough and the Faculty granted for their new facilities , Combs Roof repair is about to start and their Bell Fund is being relaunched to provide 8 ( 4 more) for that wonderful tower. Perhaps they can be ringing to celebrate the Centenary of the end of WW1? Baptisms are nearly weekly now.....we have 8 to be Confirmed in their faith.

Then, on the other hand the darkness of the terrorist atrocities in Continental Europe mirrored by those in Asia, are closer to us now, literally and emotionally. What is it, we wonder, that drives the terrorism of Isis and others? On the Sunday nearest their

deaths, Buxhall has commemorated each of the soldiers from that parish killed in the First World War. It has been poignant. The reasons for war and terrorism are complex but perhaps it is something to do with that most basic human instinct – greed - which seems to make some feel they are entitled to more than others – or even to take their lives. Injustice, greed, cheating and selfishness are probably in our DNA but...

Harvest Festivals call us to remember that what we have is loaned by God. It may have been inherited, it may have been by the sweat of our brow because of our God given abilities, but ultimately we all die. Will we be remembered as a people who were generous with what we have, acknowledging it's not really ours, looking forward with hope and an open hand – or as a people who meanly defended that which we have because it is Ours? That is not the way of Christ – that is not the way to lead a life that is full of richness and contentment.

So the years ever circle and we all circle with them, might we take this new beginning to engage with the good and positive that we can see all around us? Might we contribute our money, time or talent to that which is good fair and LIFE giving?

All good wishes

**Rev Chris**

### **The Pettward Hall "Little Ernie"**

The winners in July were Dorothy Rham and Mack Polson and in August, Caroline Dexter and Graham Hickman. They all received £10.25. An additional draw took place on 1 July for those that signed up to the lottery at the Queen's 90<sup>th</sup> Birthday celebration on 11 June. The winner of a £10 gift card, donated by Tesco, was John Williams.

Please put it in our box in the store, which will be in place until the end of October, and we will receive a share of £1,000 which will be put towards further improvements to the hall.

## **Calendar**

There are just a few more days left before the deadline of 31 August for you to submit photographs taken in the village to be considered for inclusion in the 2017 calendar. Full details appeared in the last newsletter or contact me (see back page).

## **Chairs**

This is your last chance to purchase chairs for £5 each or to let me know of a deserving cause to which we can donate them.

### **Brownies have a great time on Pack Holiday!**

Gt Finborough & Buxhall Brownies joined with Wattisham Brownies and had a super Pack Holiday at the Jarman Centre, Newmarket. The theme of the PH was chosen by the girls and was Unicorns! Games, Crafts, puzzles and activities all on the theme were enjoyed and they also worked for the Cooks and the Entertainers Badges and a special Unicorn Challenge badge. They helped to cook, serve and clear up after meals and were responsible for keeping their own belongings and beds tidy. They had games, water fights and a camp fire complete with Smores in the grounds of the Residential Centre. If you don't know what Smores are, ask a Brownie – you don't know what you are missing!

Gail, the leader of Gt Finborough and Buxhall Brownies wants to leave but so far no replacement has come forward. Hayley who runs Wattisham Brownies and helps Gail at present has agreed to lead both

packs but she needs help. Would you like to know more? Gail's details are on the back of this Newsletter. Training will be provided, all you need is a wish to work with girls 7-10 yrs and have lots of fun with them. We have a thriving Brownie Pack in the village, can you help it stay that way please!

### **Recognising the Symptoms of a Stroke**

A Stroke is a medical emergency; the sooner you get help and seek medical attention will help improve your chances of a good recovery. Our brain requires oxygen and other essential nutrients to function, if the blood supply is blocked or there is a bleed in the brain this will cause a Stroke. Depending on where the blockage or bleed takes place, depends on the type of symptoms that can be experienced. Some people may experience a Transient Ischaemic attack, often called a TIA, the symptoms are the same but the blockage is temporary and so are the symptoms, leading to full recovery, often within minutes or hours, but always within 24 hours. This is often called a mini stroke and is a warning that you are at risk of having a Stroke. Both require a rapid response and you should always call 999 immediately, even if your symptoms disappear after a few minutes or a few hours, you still require a medical assessment and treatment to reduce your risk of having a Stroke.

How to recognise the signs and symptoms of a Stroke – If you remember the word FAST, this will help you to remember.

- **F**acial Weakness – can you smile, has your face fallen on one side?
- **A**rm Weakness – Can you raise both arms and keep them there?
- **S**peech problems – Can you speak clearly and be understood? Is your speech slurred?
- **T**ime to call **999** – If you, a friend or family member experience any **ONE** of these symptoms, get help immediately by calling **999**.

For further information about Stroke or TIA, you can visit [www.stroke.org.uk](http://www.stroke.org.uk), or call 0303 3033 100 this will take you to the stroke association where there is lots of useful information and support.

## **Buxhall and Great Finborough O'60's Candlestick Club**

Club members have enjoyed two excellent outings since we last went into publication. In July, we had a lovely day in Cambridge, calling at a garden centre on the way. We then enjoyed a two hour boat trip on the river Cam. This also included a delicious cream tea.

August and we were on the coach again, this time to Long Melford, stopping at Corn Craft on the way. In Melford some members enjoyed Melford Hall and the Beatrix Potter exhibition, while others walked down Long Melfords high street enjoying the antique and tea shops.

Our final outing of 2016 is a day trip to Clacton. This is on Tuesday 6 September. The coach times are, Great Finborough Chapel 9.45am, Buxhall village hall at 9.50am and on to Harleston for 10am. Please let Keith (736598) or Katie (736430) know if you wish to go. New members are always welcome.
