PARISH COUNCIL MEETINGS 2018

9 April

8 May Annual Parish Meeting

14 May

7.30pm in Pettiward Hall

The Newsletter is produced by Great Finborough Parish Council, printed by Gipping Press, and distributed to all households in the village free of charge. Claims made have not been verified. For these the newsletter disclaims responsibility.

Editorial

Welcome to the April edition of your village newsletter. As I write this the newly planted Crocuses and Daffodils are just holding their own against the ravages of the "Beast from the East" and its slightly less intense sibling the "Mini Beast" weather systems. At least the kids enjoyed the snow (and some time of school!!).

Last month saw a Cardiac Arrest Seminar held in Pettward Hall where 30 plus village residents were briefed in the use of the newly acquired village defibrillator. All agreed it was very worthwhile training and that they were confident in using the equipment should the need arise. During the seminar, the Volunteer Emergency Telephone system (VETS) was discussed to aid a lone rescuer in need of help. As quite a lot of interest was shown in this I have included further details of the system and how it works on Page 17. I would urge all residents to have a read and if you feel you could help or would like more information please contact me. We are also in the process of arranging another training date so if you would like to attend, please let me know.

The Chestnut Horse continues to go from strength to strength with great food and drink and a very warm welcome to all from David, Jade and staff. Why not pop in and say hello and sample their lovely food and drink. Don't forget the Race of the Boggmen on Bank Holiday Monday!

The village litter pick will take place on Sunday 8 April starting at 10am from the car park. All items needed will be provided so all you have to do is turn up and help keep your village looking spic and span.

The 15 April 2018 is the deadline for inclusions for the May issue of the newsletter, so please contact Simon Tarabella or Peter Turner, or drop in to Maple Lodge, the kettle's always on. I hope you all have a lovely Easter and that the Easter bunnies aren't all hibernating in this cold snap!

Simon Tarabella

Great Finborough Parish Council

The Parish Council meeting for March was held on Monday 12 March in the upstairs room of Pettiward Hall where the following items were discussed:

Minutes of the previous meeting agreed and approved.

Councilor's Matthissen and Otton reports given and discussed.

Various damages to Kerbs and Highways reported and discussed.

Planning decisions noted.

Financial payments for February approved.

Internal Auditors appointed and Audit Plan approved.

Donations awarded as follows: £100 East Anglian Air Ambulance, £100 Suffolk Accident Rescue Service, £50 Neighbourhood Watch & £250 Great Finborough Primary School.

Management of village green spaces discussed and contractor appointed.

Format for the Annual Village meeting discussed and approved. It was agreed that the meeting would be held on the 8 May at 7.30pm in the Pettiward Hall. Residents are encouraged to attend this meeting where there will be various reports from village communities, a neighbourhood planning presentation to gauge support for such an undertaking followed by refreshments.

Electoral Review of Mid Suffolk Consultation discussed. It was noted that the revised draft sees Buxhall removed from the Onehouse ward and Combs and Little Finborough included.

Noted that confirmation had been received that Great Finborough War Memorial Cross has now been listed Grade II.

Defibrillator training discussed along with the possibility of setting up a Volunteer Emergency Telephone System to aid lone responders.

Confirmation that new batteries have been sourced for the speed Gun

The Next meeting of the Parish Council is on Monday 9 April at 7.30pm in the upstairs room, Pettiward Hall. All residents welcome.

Parish Council

Buxhall WI

At our next meeting on Wednesday 18 April at 7.30pm at Buxhall Village Hall, Steve and Sue Williams will be giving a talk on 'The Stowmarket Guncotton Explosion of 1871. Visitors are always most welcome.

Judith Hickman

Great Finborough Lent Lunch

A big thank you to all who made soup, attended the Lent lunch or just contributed to the charity fund after the event. £222.50 was raised and donated to OXFAM and a good time was had by all.

News from your District Councillor - John Matthissen

Reduction in Electoral Wards – and Councillors

Last year a boundary review was commenced in Mid Suffolk, looking at how to ensure each Councillor represented a similar number of voters while also reducing the number of Councillors overall. Proposals were put forward to reduce numbers of Councillors from 40 to 34 and to alter nearly all ward boundaries. The final recommendation was due to be released in early February 2018 but was been delayed while the Boundary Commission re-considers the numbers involved.

A new proposal has been published for consultation. My objections have prevailed regarding Harleston and Shelland not being separated from Onehouse, but alas Buxhall may become part of Rattlesden ward. The proposed new Onehouse ward would also include Combs and Little Finborough. You can comment at: <http://www.lgbce.org.uk/current-reviews/eastern/suffolk/mid-suffolk> Consultation ends on 30 April, with a final decision due in August.

Report a pothole

The easiest way to get action on problems such as potholes or flooding is to use Suffolk County Council's online Highways Reporting Tool <https://highwaysreporting.suffolk.gov.uk/>

Merger with Babergh DC

At the time of writing I have not heard the result of the telephone survey which a few of you will have contributed to. It seems unlikely any possible merger will take place before 2020 or 2021 in view of the decision by Babergh councillors to hold a full referendum. I have an open mind about the merits of a merger, but I am clear that all Mid Suffolk residents should also be asked for their views.

- Tickets: Adults £5 Children (under 16) £3
- Tickets can be purchased on the door.

For more information please contact **Norman** on 07930 338580

THE BOGGMEN RACE

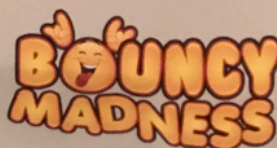

THE CHESTNUT HORSE ON MONDAY 2ND APRIL FROM 12 NOON
LIVE MUSIC, BBQ, BEER TENT, COCKTAILS, BOUNCY CASTLE, PLENTY OF
STALLS AND MUCH MORE.

The Race of the Boggmen, which dates back to 1897, is held at The Chestnut Horse in Great Finborough, near Stowmarket.

The traditional event recreates the contest between two groups of farmworkers more than 100 years ago – and raises money for local groups and charities.

Other competitions include egg throwing, egg and spoon races, egg decorating and Easter bonnets making for the kids

This is a free event for all to attend, with plenty to do for the children and adults alike.

Great Finborough & District Garden Club

February has been an interesting month weather wise; rain, snow, ice, biting cold and the odd lovely sunny day, this month has been a proper mixture. However, in spite of all that the weather threw at us and in spite of probable plant losses caused by the "Beast from the East" the spring flowers are now starting to bloom and soon it will be warm enough to get out and about in the garden.

The speaker last Thursday was Mike Shave who gave a very informative talk about the Honeybee. Explaining the status of the female (Worker bee), male (Drone) and Queen bee within the hive and the productive cycle of the hive. He spoke about the types of flowers that attract the Honeybee's and particularly the colour types that attract bees; blues, purples, violets and yellows. Mike was very fond of the Dandelion which didn't go down well with the keen lawn lovers!

The next meeting will be held in the Pettiward Hall on Thursday 12 April at 7.30pm when Ann Tweedle from Plant Heritage will be making some cutting remarks about pruning. So, if you have any questions or problems on the subject of triffid shrubs she should be the perfect person to ask.

With the prospect of the summer ahead the time has come to start planning for Open Gardens. Sunday 1 July is the date for this year's Open Gardens to raise funds for a Charity to be decided at our April meeting. If you would be interested in opening your garden to help us in our efforts we would be delighted to hear from you. For details of how to volunteer to open your garden please contact Mary Smyth (mary@blossomz.co.uk) or John Davey (see who's who).

Finally, if you are interested in joining the garden club or would like to join us for any event you will be very welcome. Membership is only £15.00 per household per year or £2.50 per person for a single meeting. For further information contact either: John Davey or Judith Cameron (see who's who)

Judith Cameron

From the Rectory April 2018

Our Gospel reading for the 18 March - Passion Sunday - was from the Gospel of John Chapter 12 vs 20 – 33. It records a group of Greeks coming to the disciples and saying 'Sir we would see Jesus'. I am told that a better translation would be Sir we would *believe in* Jesus, but the essential question is critical for us all surely? We would like to encounter Jesus, wouldn't we?

Churches claim to be the body of Christ and it is sobering to wonder what people looking on from the outside might think. Would they 'See Jesus' in the words and actions of the church locally and nationally?

We struggle to do Gods work and be the body of Christ, with our different attitudes, opinions, and temperaments, so inevitably there are conflicts but through prayer contemplation and generosity of spirit we pray that those 'who would see Jesus' in the church can catch a glimpse of something that they might recognise. The latest important attempts to be more like Jesus is the huge amount of Safeguarding Training that is now going on to raise awareness and attempt to prevent abuse. In Lent we also try to examine ourselves to see, if as individuals, we can do what God wants us to do to reflect him in the world.

The so called 'Beast from the East' came and got us for a couple of days at the beginning of March and quite rightly several events were cancelled as it was wrong to ask people to come out in such low temperatures and on treacherous roads. There was disappointment, but it didn't last long and I was pleased to receive several phone calls from the more able and or those with 4x4's offering assistance to anyone who I might know in need. Thank you – there was a sense there of the care that Jesus would exercise to those in difficulty, but it is so important for us all to recognise that the church is not a club to be run for its own members benefit, prejudices and likes, but for all

people seeking to see Jesus the greatest man of all time and certainly the only one who rose from the dead.

Happy Easter
With all good wishes

Rev Chris

Around the Seven Parishes

Many of you will be aware of the new **National Safeguarding procedures** that our Churches have adopted, requiring mandatory training for all who hold any office but also strongly recommending all PCC members and those associated with the running of the church in any way. This is just a gentle reminder to all those (143) people I have written to asking that they please undertake their training as soon as possible – which is for the most part on line. Lisa Hicks is assisting me with this process and is visiting many of the churches at services and dealing with queries. She is arranging face to face training for those who are not able to access on line. Any queries to Lisa whose details are on the letter or to me, Rev Chris.

On the 15 April at 5pm **Bishop Mike Harrison** the Bishop of Dunwich will be with us at Gt Finborough for the **Commissioning of David Fenton, Sue Budd and Martin Key as Elders** for the parishes of Harleston, Little Finborough and Combs respectively. Angela Peard Gill Ling and Tony and Irene Bugg are to be recommissioned as well to serve in Buxhall and Gt Finborough. Please join us and show them your support. Refreshments follow as usual

The **Licensing of Rev Canon Pauline Higham** as Associate priest will take place at **St Marys' Buxhall** on Monday 14 May 7.30pm. Pauline's husband **Rod Higham** will also be Licensed as a Reader at the same time. Please keep them both in your prayers as they prepare to move and put the date in your diary so we can give them a good welcome.

Both choirs are practicing...

Rev Chris

Nordic Walking Taster Session 14 May

Are you looking for a safe and effective workout that is fun, sociable and brings speedy results? Give NORDIC WALKING a try. Everyone knows that walking is good for you and we are constantly being told to ditch the car to travel by foot, take the stairs instead of the lift, park further away from the shops, etc...

Nordic Walking is an enhancement of ordinary walking — it makes something we learn to do as babies twice as effective! It is a specific fitness technique that can be done by anyone, anywhere, and is not to be confused with trekking, hill walking or trail running.

Kevin Marshall and Sara Mortimer of Positive Steps Fitness and Wellbeing are accredited Nordic Walking Instructors with Nordic Walking UK and are running a taster session on 14 May in Needham

Market. The 45-minute taster will help you understand just how beneficial Nordic walking can be and how it is far more than just walking with poles!

They also regularly run Nordic walking technique courses. The 4 x 1-hour course will help you to not only learn the Nordic walking technique but will help you to use it in order to achieve your personal health and fitness goals. In addition to being Nordic Walking instructors both Kevin and Sara are qualified fitness professionals and are members of the Register of Exercise Professionals

Kevin, Sara and their team of Nordic Walk leaders are enthusiastic about Nordic Walking and run regular Nordic Walks 6 days a week across Mid and West Suffolk with over 70 Nordic Walkers taking part on a weekly basis. In Mid Suffolk we have a regular Monday morning Nordic Walk starting at Needham Lake and Tuesday evenings in Stowmarket and Great Finborough. Starting in June we will be leading a new Wellbeing walk in Needham Market for people who are recovering from illness or injury or just want to ease back into walking.

If you want to get into shape, boost health or just get active. Nordic walking is a simple way to exercise the whole body and can be easily fitted into a hectic lifestyle; it provides effective calorie burning, tones the arms and legs and improves posture. It's also great for stress, easy on the joints and beneficial for conditions like osteoporosis. With Nordic Walking, you'll be on your way to results faster than you think, too. The use of the poles makes the walking feel easier but actually propels you and makes you lighter on your feet. You will find you can walk faster and further than usual and soon notice the improvements in posture, muscle tone and weight/inch loss too - what's NOT to LOVE about that!!!!

If you have any questions or would like to book on the taster session please email info@positivestepspt.cok or telephone Kevin on 07955495016. Or visit our website at: <https://positivestepspt.co.uk/nordic-walking>

Defibrillator Training

Defibrillator training was held in Pettiward Hall last month and over 30 local residents turned out to attend the seminar. All agreed that it was of great use and that having attended the course they would feel very confident in using the equipment should the need arise.

As there were a number of people who were unable to attend on the day, the Parish Council have agreed to fund another seminar in the very near future, so if you would like to take part please forward your name to the myself or Peter Turner (see who's who) with dates you would be available so that we can get an idea of number who would like to attend.

During the seminar mention was made of the Volunteer Emergency Telephone System (VETS) which is designed to aid the lone rescuer scenario and is described on the next page . After the seminar several people expressed an interest in being part of a VETS system and the parish Council are now looking into the viability of setting this up for the village. If after reading the article you would like to volunteer please contact me or Peter Turner with your details and whether you would be willing to be part of the VETS or VETS R3. Once we have 10 volunteers we can start to put the system in place. Further training will be organised for the volunteers and please be assured that this is not a community responder scheme. VETS relies on volunteers from our community to be able to be called, and there is always the possibility that no helper is available. Therefore, VETS is a "best endeavours" system. Please also be aware that mobile phones cannot be used so to be a volunteer you need a working land line. Further information can be obtained from me should you so wish.

Simon Tarabella

Volunteer Emergency Telephone System (VETS)

RC(UK) 2016:

*"When implementing an AED programme, community and programme leaders should consider factors such as the development of a team with responsibility for monitoring and maintaining the devices, training and retraining individuals who are likely to use the AED, and identification of **a group of volunteer individuals who are committed to using the AED in victims of cardiac arrest.**"*

To support community resilience, the Community Heartbeat Trust now provides a service to help villages install and run a Volunteer Emergency Telephone System, or VETS. VETS is designed for the *lone rescuer*, out of *activation radius* and spread out community situations. A **third** of all 999 calls are from lone rescuers, so getting help to them quickly is important. VETS is a community run system, and enables up to 10 "good neighbours" to assist pending the arrival of the emergency services. VETS is provided **FREE*** to the village for the first year, and uses a simple memorable number unique for the village. The system can also be used for any emergency where additional help is required from neighbours, whether Cardiac Arrest or not.

The availability of VETS helps villages whether or not they are using a CHT provided defibrillator project, and gives a level of reassurance to the elderly, those living alone, and to the infirmed, that there is always help on hand.

Which VETS system is right for your community?

Whilst VETS was originally designed primarily to support Cardiac Arrest in a community, to address the lone rescuer, out of activation radii and other medical scenario in particular, many communities have expanded their VETS offering to cover a wider geographical area, or a wider usage area. Typically these are:

VETS The original VETS system for Sudden Cardiac Arrest (SCA) emergencies, where a lone rescuer is with the patient, the emergency is out of the activation radius, or there are children present. A single

telephone number links to volunteers in the community willing to lend assistance

VETS R3

VETS covering the three services for help in a community –

Medical

Neighbourhood watch

Community Resilience

with three groups of volunteers each servicing their own area.

Community Resilience could include - care of the elderly, flood watch, or other community resilience issues.

VETS X3

VETS, covering up to three communities through a single telephone number, but with three different sets of volunteers, one per community.

The principal is the same. A single emergency telephone number for the village, but whereas in VETS this goes to the 10 SCA volunteers, in VETS R3 and VETS X3 you are asked to choose which type of service you require, before the volunteers are contacted. This allows for a community to have a single emergency telephone number to cover SCA, neighbourhood watch and perhaps flood defence, whilst another parish may have all three villages linked by the same number.

Note: VETS is a community scheme to summon help and assistance and **does not in any way replace the 999 service**, and should only be used (in the case of VETS and VETS X3) after the 999 call have been made. VETS is not a community responder scheme.

This is a “best endeavours” system. If you can, please think about volunteering to be a part of this system that will make a meaningful contribution to our village residents health and peace of mind.

Thank you.

Great Finborough Parish Council

"Little Ernie"

The winners in the March draw were Rodney Self and Geoff Poulding. They each received £8.75.

The new scheme starts on 1 April so if you haven't signed up yet you only have a few days left to do so! Please contact me if you need another application form.

Yoga

A new instructor has taken over the yoga class and will be welcoming new participants from Monday, 23 April at 2pm. If you are interested in joining the class, please contact Elly Lloyd on 01359 245914 or 07821 153535. Her email address is ellyyoga@hotmail.com

Mary Preece

Buxhall and Great Finborough Candlestick Club

Our first meeting of the year 2018 is on 5 April commencing 7pm in Buxhall Village Hall. It takes the form of a social evening; some entertainment has been booked and the Committee will be organising a few nibbles. Janet will be collecting subscriptions and this is being kept at £6.00 for the year.

Hopefully by then we shall have an itinerary of the various outings for the season. I can tell you at the time of going to press a mystery outing has been arranged for 8 May.

Hope to see you all after Easter on Thursday 5 April. New members are always welcome.

A naïve question or not as the case may be?

Finborough Hall was built by the Pettiward Family of Putney in 1795, on the site of a former Jacobean Manor House that had been destroyed by fire. The estate remained in the family until disposed of in 1935/1936.

The Electricity Act of 1947 led to the creation of the Regional Electricity Boards and the then newly formed Eastern Electricity (Board) occupied Finborough hall as its first HQ. The House stayed in EEB control until 1978 when it was again sold, becoming the forerunner to the present private school.

One point that seems less clear however is whether the Pettiward family, in 1935/1936, sold the Hall to one of the private electricity companies that were nationalised to form the EEB, or whether it was acquired by the EEB upon or shortly after its formation in or around 1947. The former seems a little unlikely, given the grandeur of the setting but if it was the latter, a question remains; who owned the Hall between 1936 and 1947, a ten or eleven-year period which included the entirety of the Second World War and in which respect there may well still be some element of living memory.

Does anybody know the answer? Any information on this matter gratefully received. Many thanks.

Dave Cox (737383)

Coffee Morning at the Chestnut Horse

Tuesday 10 April, 9.30-11.30am. Everybody is welcome to our monthly coffee, children included, with a raffle and coffee or tea and cake all for £1.50 which includes free refills. Our charity this month is Arthritis research and St Andrews Church.

Free hearing checks in Stowmarket to help those with hearing loss

Ten million people in the UK - one in six of us - have some degree of hearing loss. It's surprisingly tricky to spot gradual hearing loss as our brains are very good at compensating, so we're not even aware of how much we've lost until things are quite far advanced.

The good news is that there are things you can do to about it. The bad news is that there are potentially serious consequences if you choose to ignore hearing loss, including an increased risk of dementia.

Local hearing care specialists The Hearing Care Centre, offers award winning hearing care services from 25 centres across East Anglia. This year they are celebrating their 20th year in business and they hope to continue to raise awareness about the prevalence of hearing loss, its effect on everyday life and the potential dangers of leaving hearing loss untreated.

Audiologist Karen Finch and her team will be holding a free 'Hearing Care Centre Open Day' at their local hearing clinic at StowHealth between 9am and 5pm on Thursday 19 and Friday 20 April 2018. During the event they will be providing free hearing assessments (usually £20), along with complimentary professional advice about your hearing test results and discussing possible solutions that could help improve your hearing. All services are available by appointment only.

To book your appointment call The Hearing Care Centre on 01473 230330 or visit www.hearingcarecentre.co.uk for more information.
