## Editorial

Well, after a busy July / August we now settle into September and hope that we can still count on some sunshine to see us through to the winter months. We don't seem to have had an abundance of it to date!

There is lots to look forward to in the village this month. The allotmenters and the Garden club are hosting a produce show with lots of different categories so there's something for everybody to try their hand at. You can have coffee and cake at the MacMillan coffee morning or a "full English" at the men's breakfast club. If you fancy something a bit more active why not take part in the "Ride and Stride" which raises money for Suffolk churches or try your hand at North West Morris dancing when the Haughley Hoofers start their free 8-week course.

Back by popular demand, a Race Night will be taking place in Pettward Hall where there will be a chance to be an owner for a race as well as prizes for the best dressed racegoer and the best race day feast. The village film club continues to go from strength to strength and this month will be screening "Collette". Details of all of the above events can be found within the newsletter.

George, our village litter picker, is resigning shortly as he is off to University. Thank you for all of your hard work on the villages behalf and we wish you the very best in the next stage of your career. If anyone is interested in filling this post, further details can be found by contacting the Parish Clerk or myself.

The Post Office van is now operating from the village car park on Thursday between 1.45 to 3.15pm. Please try and make use of this valuable village facility.

The 15 September is the deadline for inclusion for October issue of the Newsletter, so please contact Simon Tarabella or Peter Turner, or drop in to Maple Lodge, the kettle is always on.

## **Great Finborough Parish Council**

There was no meeting of the Parish Council in August. The items below were discussed at the July meeting.

Suffolk Highways have launched a community self-help scheme to allow PC's to carry out small local maintenance tasks such as cleaning road signs. Further information to be sought to clarify the scope of works and insurance liabilities.

Withdrawal of the rural bus service. This is a matter of great concern and further information is being sought to determine village usage and possible alternative bus services.

### **Parking Issues**

Concerns have been expressed to councillors regarding on street parking in the High Road, safety issues are highlighted especially around the bend between the Primary School and The Chestnuts and at the entrance to Church Road. Residents are requested to give thought to the safety of others when parking in the High Road, do not use the pavement and do not obscure visibility for exiting Church Road or overtaking on blind bends. If there is no improvement in the safety of on street parking the matter will be passed to Suffolk Police for action.

It was agreed to proceed with the purchase of another Vehicle Activated Sign (VAS) for the village as data collected from the original VAS has shown some reduction in speeds throughout the village. Funding is in place with a generous resident donation and contributions from County and District councillor's locality budgets. Further speed reduction schemes such as "entrance gates" will be discussed at the next meeting

Next meeting, 9 September, 7.30pm upstairs room, Pettiward Hall.

### Joint Local Plan

A draft of the Plan has now been published and is open for consultation until 30 September. Copies have been sent to Parish Clerks and are available at the library and public access office in Stowmarket. It is also available online at

<https://www.midsuffolk.gov.uk/planning/planning-policy/new-joint-local-plan/> where responses are particularly welcome, although you can send emails to [localplan@baberghmidsuffolk.gov.uk](mailto:localplan@baberghmidsuffolk.gov.uk) or write into Local Plan Consultation, B&MSDC, Endeavour House, 8 Russell Road, Ipswich IP1 2BX.

### Stowmarket Food Bank

More donations of food are always welcome and as the school holidays are ending, stocks of tinned rice pudding and packets of instant custard and Angel Delight have been depleted. Tins of hot dog sausages are also particularly needed. Toiletries including loo rolls are included in each box of food sent out, so these are also welcome. All the local churches, library, town council offices and most supermarkets have collection boxes. There is now also a pop-up shop on Wednesdays and Thursdays from 9am-1pm at the Hillside Community Centre. This is stocked with items at the end of their best before dates etc.

### Bus Services

The last vestiges of service 461 to Buxhall and Finborough are currently being reviewed while funding has been provided up to March 2020. On 21 September Galloway are stopping the 386 service from Bury via Rattlesden which serves Harleston and Onehouse. The County Council will be seeking other providers and funding to continue this route.

### Locality Budget

This fund is available for projects locally run by both Parish Councils

and other local groups. Give me a call to discuss your ideas, or email me if you prefer.

### Bin Collection

Hopefully any issues arising from recent changes to your collection rounds or times have now been resolved but please let me know if not.

### Post Office Van

This is now arriving in the car park regularly every Thursday and it will be good if it is well used as then less likely to be lost again.

## **RICHARD BUCK, RIP**

A man 'full of life and full of fun', in the words of one of his closest friends. Richard Buck, who died peacefully but far too young on 13 August 2019, was a big personality. His heart and soul were in his life in Great Finborough, happiest at home with his family and friends. With over 27 years' experience as an estate agent, and with the unfailing support of his wife, Alison, he built a successful business that has helped thousands of people locally to buy and sell their homes. Through this, and through the many sporting and other activities he enjoyed, he had a great many friends. Generous and with a fantastic sense of humour, he will be sorely missed not only by Ali, Giles, Grace and the wider family, but by so many.

There will be a memorial service at St Andrews Church on 28 August at 2pm. Parking has been arranged in Finborough School car park and you are encouraged to wear something bright and colourful.

## **Great Finborough & District Garden Club**

This year the summer seems to have passed by in a blur of heat and activity so here goes.

The postponed visit to Wood Farm at Gipping took place on glorious sunny evening with many members enjoying the lovely flowering meadow and gardens (wincing at the description of the work that went into creating it), along with the mandatory delicious coffee and cake. Vicki Hease's workshop which took place on the 29 July saw 12 members and guests learn how to make a beautiful arrangement using flowers and greenery from the garden in a recycled drinks bottle and without using foam. A dozen very different and lovely arrangements emerged under Vicki's expert guidance during a very enjoyable morning.

The 6 July saw the weather change and the Garden Party, held in the gardens of Broad Oak by kind permission of Ann and Stephen, took place in the rain, but a little thing like wet weather does not stop Great Finborough having a good time and those who attended heard great jazz from the band, played a large variety of garden games, ate tea and cake, drank at the bar as well as eating BBQ and also helped us raise some money to support our charities. Many thanks also go to the army of volunteers who made it a success.

On the 25 July we all assembled in Pat and Peter's lovely garden (thank you both so much for allowing us to do this again) for the Annual BBQ. As usual there was a grand turnout of members and guests who enjoyed a splendid assortment of salads and desserts and I am sure that you would wish me to also thank the team of cooks, (Peter, Martin and Ian) who ensured that we all ate a delicious assortment of BBQ treats at the same time. The weather started fair but ended with most of the assembled company becoming a trifle damp as a spectacular thunderstorm decided to descend on Suffolk. Thank you also to all members who supported the raffle, the proceeds of this and the profit from the garden party allowed us to donate the grand sum of £500

each to the Pettiward Hall and St. Andrew's Church. Thanks also go to the dedicated team of members who erect and demolish the marquees for each of these events.

The 31 July saw members board a coach to visit the RHS Gardens at Hyde Hall. A lovely day was had by all and many thanks to Susanna who has organised all our visits and interesting speakers over the year.

On the 7 September the combined forces of the Allotment Association and the Garden Club are holding a produce show in the Pettiward Hall. There are a wide range of classes which everyone is encouraged to enter. There are special classes for the children as well as crafts and baking. Please see the poster in the magazine for further details. Entries must be dropped off at the Hall between 8 and 10am on the morning of the 7 September and the show is open to the public with free entry from 1.30 to 4.30pm. Teas and cake will be available and there will be a raffle.

After all this activity our winter season begins on the 12 September with a talk by Melanie Collins of Mickfield Hostas about her favourite plant. This will be at the usual time of 7.30pm in the Upper Room of the Pettiward Hall.

Finally, if you are interested in joining the garden club or would like to join us for any event you will be very welcome. Membership is only £15 per household per year or £2.50 per individual for a single meeting. For further information contact: Judith Cameron (See Who's Who)

## From the Rectory June 2019

We live in uncertain times. Our parliamentarians seem to be taking us into uncharted waters – legal precedents are being examined – the law scrutinised - but we all expect and pray that our ancient unwritten constitution will cope with the consequences of the Brexit decision. Our economy has shrunk, there are increasing numbers of empty shops in our towns and village pubs close. Large swathes of our country were hit by power

failure in August.

These things call us all to take stock. Perhaps we shouldn't take so much for granted and perhaps we should consider what is important in our lives? Christians daily pray 'Thy kingdom Come' and undoubtedly that kingdom will be different to the one we literally inhabit. We expect it to be in the words of the popular hymn by Bryn Rees *'The Kingdom of God .....is justice and Joy'*

To get to that state we will need to take on board new concepts of justice fairness and respect across the whole world we live in: there will be uncertainty and change, but we hold onto the promise of God that the fulness of his Kingdom is coming and maybe we should all think more seriously about what we *really* treasure. Jesus is recorded in the bible as saying *'Where your treasure there your heart will be also'* Luke 12.32-40. Where is your treasure? What do you treasure? Is it 'The Kingdom'?

Do you store up for yourselves treasure in heaven – by the way you treat others and care for your communities those less fortunate and world?

This is in no way to decry those who find change and uncertainty difficult, there are some who will suffer - many will be starting new schools and Universities – it can be unsettling of course, but for those

of us just 'carrying on' lets see the uncertainties of this present time that we cannot avoid, as an opportunity to find out what we really treasure, care for those suffering and develop the Kingdom of God

**Rev Chris**

On Sunday 15 September St Mary's Buxhall are pleased to welcome back once again Rev Jeanette Gosney Diocesan Ministry Officer and acting Archdeacon of Suffolk as preacher for our Patronal Festival. Please come and support each other.

Harvest Festivals are upon us once again and shown in the list of services. If you would like the full schedule e mailed, please be in touch. You will know that Gt Finborough's Harvest Service is always followed by a Shared lunch so please join in, asking me if you are unsure what to expect or to do. And please remember your corkscrew – still no one has donated. Richard Stanier one of the Diocesan 3rd World advisors will be speaking at Combs on Sunday 29 at 11am for their Harvest Festival, about the world climate crisis, especially how it affects farming in in Kagera, Tanzania and how our own diocese with its eco church project is helping. We are hoping to become an 'eco diocese' and he will bring information so that each parish may apply for their own accreditation. Those who wish to bring produce are encouraged to bring items appropriate for the Food Bank please. At Buxhall at 3pm on the 15th we shall have the usual auction of produce for Water Aid following their Harvest service and Tea.

Archdeacon David Jenkins will be leading and preaching at our service at Shelland at 9.30am on Sunday 15 September. No doubt he will be pleased to see you all.

At Buxhall we are holding our second Healing and Wholeness Communion Service at 6.30pm on the 29th to which all are invited.

There will be a Car Boot Sale on Saturday 7 September 8am to 1pm Onehouse Playing Field in aid of Trinity Hall Toilet Refurbishment Fund

which you will know seems to be making good progress at very long last.

I am pleased that Meet Up Mondays, this national initiative has reached us and so come and enjoy Coffee and Cake as well as making new and meeting with old friends at the Age Concern Shop Combs Ford - every Monday 11 to 1pm. This project is in conjunction with the Coffee Caravan that visits Harleston Buxhall and (Upper) Combs most months and next on 18th September 10-12noon. There is much going on.

## **Great Finborough Wildflower Meadow**

We started preparing the three-quarter acre piece of land adjacent to Woodpecker Hill in the late summer of 2013 by spraying off the weeds. In the spring of 2014, the weeds were still plentiful and during that summer we sprayed it 3 more times. Spring of 2015, with the help of Gareth Hart, a tractor and agricultural rake the ground was prepared for seeding. With the seed provided by the Hart family and the Garden Club, Trevor Waspe, Simon Tarabella and I, set about seeding the meadow - with the expert guidance of Trevor, I must say. In late August of each year the meadow has been cut, which helps to spread the seed heads. The Wildflower Meadow was slow to establish but this year it has been at its very best and we hope it will continue to provide pleasure for many years to come.

**Peter Turner**

On two days in July 2019 I spent a few hours identifying the grasses and plants in the meadow. Both days were hot and glorious which brought out many different butterflies enjoying the variety of plants and grasses. The white Oxeye Daisy is everywhere on the meadow and creates a beautiful scene in June and early July. Looking closely I could spot most of the plants that were sown – including the white and light pink Yarrow, lovely clumps of honey-scented Lady's Bedstraw, yellow Birdsfoot Trefoil and perforated St John's Wort (hold a leaf up to the light and see lots of tiny holes), bold stands of tall Greater Burdock near the hedge. The delicate heads of the grasses were pretty with great names – Catstail, Meadow Foxtail, Sweet Vernal grass. Common Sorrell dominates at the end of July with its rust coloured seed heads standing high. The bees and butterflies were loving the Spear Thistle and the red and white clover. Thank you to Pete and the Parish Council for providing and maintaining such a special place.

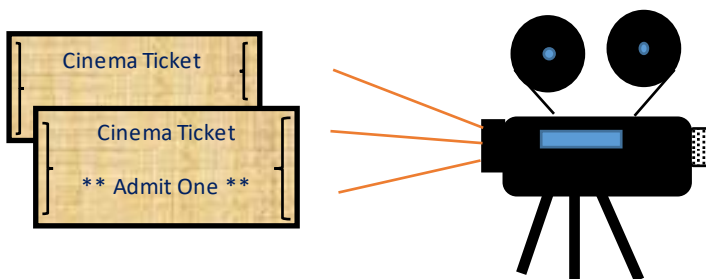

**Mary Smyth**

## **Community Herb Garden**

The community herb garden, by the end of the village car park, is now in its 3<sup>rd</sup> year of production. Village residents are encouraged to pick and use the herbs in their daily recipes. A big vote of thanks to the garden club who maintain it so beautifully.

## BUXHALL WI

In June our president welcomed 38 members and 12 guests from local WI groups to our summer party. The usual evening formalities were replaced with a thoroughly enjoyable evening hosted by the president with catering donated by the Committee. Although the rain thwarted the original plans to make full use of her lovely garden, good spirits and social banter were in equal portions indoors. Maisie sang a medley of songs, some of which members spontaneously joined in and sang along to. Members were only too pleased to support Maisie's fund raising ventures for her trip to Tanzania in 2020 donating £94.

July started with members enjoying an evening walk around the Needham Lake area and the sight of orchids was real a bonus! This was followed by supper at The Lion. A week later, 29 WI members plus about 15 friends had a fantastic day on the sea front at Felixstowe hosted by Gill at her beach hut. A fish and chip lunch was followed by afternoon cake and / or a delicious 'dessert,' all donated by the WI committee. As the sun shone, we paddled in the North Sea, walked along the sea front to the pier or joined in singing with Alan, with some members also enjoying a dance or two! The day raised £200 in aid of 'Lighthouse'. The month ended with a 'Ladies at Lunch' day to Dedham visiting 'A Place for Plants at Flatford before enjoying lunch and, for some, a river trip.

The beginning of August started with our annual support of the Buxhall and Shelland Fete. This year we supported the cake stall and tea tent; providing cakes and extra pairs of hands to help serve and more importantly 'wash up' to make sure there was always tea or coffee available throughout the afternoon.
