PARISH COUNCIL MEETINGS 2018/2019

10 December14 January

The Newsletter is produced by Great Finborough Parish Council, printed by Gipping Press, and distributed to all households in the village free of charge. Claims made have not been verified. For these the newsletter disclaims responsibility.

Editorial

We are entering the last month of the year and speeding towards the festive season, where did the year go? As I was wandering around the countryside today, enjoying the Autumn colours in glorious sunshine, I thought to myself we are so lucky, this enjoyment is all free. The big skies of Suffolk and its rolling countryside leaves little to be desired, those of us that have lived in this county most of our lives do tend to take it for granted sometimes.

As we moved towards the new year Gt Finborough residents need to take stock, there is a great community spirit in this village for those who want to be part of it. But it hasn't always been that way. Next year in May will see the parish council elections and there will be vacancies, two of the current councillors have moved out of the village and there will be others standing down. Over the last few years this village has seen a step change for the better, the village is cared for and that is reflected in its appearance. So, step up if you want to keep the great in Gt Finborough, the village can't look after itself. The parish council is very lucky to have a very well respected and experienced parish clerk in Paula Gladwell which makes the job of councillors a great deal easier.

Looking for Help. 3 years ago, Simon Tarabella and I took over the editing of the village Newsletter on a temporary basis, Simon I must say has carried out the lion's share. So, if you would like to help with this essential publication. please contact Simon or me.

A warm Finborough welcome to **Sue & Keith Yates** who recently moved into 2 Valley Farm Barn.

Finally, Merry Xmas and a happy New Year to all our readers.

The 15 January is the deadline for inclusion for the February 2019 issue of the Newsletter, so please contact Simon Tarabella or Peter Turner, or drop in to Maple Lodge, the kettle is always on.

Great Finborough Parish Council

Our November meeting began on a sad note with the resignation of Cllr Robin Fisher. Robin has been a Parish Councillor here at Great Finborough for nearly eight years and with a recent home move to outside the village and the end of a four-year term looming Robin has decided to step down. He will be sorely missed for his contribution to the Parish Council and his commitment to the community.

We now have a vacant seat at the Parish Council table, albeit only until May 2019 when we have the next Parish Council elections. We could of course just run with the vacant seat until May, but we would much rather try and co-opt someone onto the Council who can contribute to the community for the next few months and then hopefully fit in so well that they will want to stand for election in May and then stay for a further 4 years.

So, IS THIS YOU???? would becoming a Parish Councillor be something you might be interested in? All you need to do is answer YES to the following;

Are you over 18?

Do you live within three miles of Great Finborough or work here?

Are you on the Electoral Roll?

Are you interested in helping to improve the quality of life of your community?

Do you want to be involved in making important decisions in your community?

Please contact the Clerk or any of your Councillors if you would like to be considered for the position or need more information. Closing date for applications is 24th December 2018

Other Business;

Planning -Two applications were considered this month, the first with a "No objection" comment submitted for DC/18/04702 Erection of an extension and conversion of a garage at Puddocks End.

The second, the re-consultation following a site plan alteration for DC/03710 Erection of 7 dwellings at Peartree Place, which had Councillors deciding that they had no additional comments to add to their previous Objection to this development.

Annual Playground Report - Our external play equipment inspection this year has resulted in a few very low risk recommendations which will be carried out over the next few weeks.

Footpaths - We have a few broken way markers and some planks missing from some bridges which will all be reported to Rights of Way for remedial action.

Potholes seem to have been kept in check more recently, perhaps due to some recent increased funding by the County Council specifically for pothole repair.

If you do see any maintenance issues on your travels around the village, please let me know and I will be happy to report them to the relevant local authority for consideration.

Alternatively, you can easily report problems on the roads, like potholes, online using this link

https://highwaysreporting.suffolk.gov.uk/

or contact customer services for Mid Suffolk District Council and Suffolk County Council on 0845 606 6067 they are usually very quick to help.

The next parish council meeting will be held on Monday 10 December at 7.30pm in the upstairs room at Pettiward Hall and everybody is welcome to come along.

Keep Fit

Thank you to those who responded to the recent Keep Fit survey. The results showed that there is sufficient interest in a keep fit activity and we are pleased to announce that a yoga class is returning to the village in 2019. Supported again by Fit Villages, a new Monday evening class will be starting with a free taster session on 14 January. Our tutor this time is Catherine Wager, who moved into the old Baptist chapel in the village with her fiancé Miles earlier this year. Catherine is a British Wheel of Yoga (BWY) student teacher, currently undertaking the BWY Diploma in Teaching Yoga (500 hours).

Catherine says: "I'm excited about being able to help people take some time for themselves to experience some of the benefits of yoga, both on and off the mat. With all of us tending to lead increasingly busy lives, a yoga class can be an oasis in our week, allowing us some much needed space to reconnect with our bodies and our minds. I aim to make the class accessible to all, so whatever your starting point, it would be lovely so see you on Monday evenings in the new year." For more information or to book your place on the free taster session, please contact Catherine on 01449 771338 or 07790 842432, email: catherinewager@hotmail.com.

Tree for Life scheme

A Green Party initiative funded from MSDC's 2018/2019 budget, the scheme encourages the planting of a tree for new born and newly adopted children. All families within Mid Suffolk who have received a new family member between 1 January 2018 and 31 December 2018 are welcome to apply for a free tree to celebrate a new life or adoption. The scheme aims to encourage the planting of trees and promote the benefits which trees bring to communities. Details and an application form can be found at:

No more plastic milk bottles?

Although Mid Suffolk is still recycling plastic milk bottles, an environmentally friendly option is to have your milk delivered. This is now **all** in glass bottles, which can be rinsed and left out for collection and reuse by the dairy. The milk tops are aluminium foil, and I keep a foil takeaway container by the sink to collect these, rolling it into a ball when full. Via the green bin, aluminium is the most valuable material we can recycle.

Great Finborough & District Garden Club

The winter still has not arrived, so until we get some decent cold weather the remaining clear up jobs are still on hold and the relaxing time of the year is still ahead of us.

Our November meeting was an illustrated talk by Peter Skeggs-Gooch from Thorncroft Clematis nurseries. His beautiful photographs showed us that it is possible to have clematis flowering right throughout the year in a great variety of forms and colours.

The next meeting will be our Christmas party, to be held on the 6 December. As always this takes the form of a light-hearted quiz, with nibbles and mulled wine, and not forgetting the now renowned "Pass the parcel". Please ensure that you have returned the December function slip to Judith, so we know how many will be attending, e-mail or a telephone call will do if necessary. Please note that the venue will be the Main Hall and that it will start at 7pm.

In January gardeners hibernate or go on holiday so as not to waste those valuable hours in the garden later in the year. As a result, the first meeting of 2019 will be on Thursday 14 February at the usual time of 7.30pm in the Pettiward Hall. Our speaker on that evening will be James Blake who will be taking us "Around the World in 80 plants". James is the Head Gardener at Bressingham and will be looking at the wide range of plants that can be grown in this country, where they come from and how to get the best out of them.

Finally, if you are interested in joining the garden club or would like to join us for any event you will be very welcome. Membership is only £15.00 per household per year or £2.50 for a single meeting. For further information contact **Judith Cameron** on 672978 or judyandian@btinternet.com.

The class is £5 a session and will last for roughly 45 minutes, including a range of different rhythms. My name is Lucy Brinkley and I am a certified Zumba instructor, if you have any question contact me by email: brinkleylk@gmail.com or find me on Facebook. I look forward to dancing with you on Thursday evenings.

Buxhall and Finborough over 60s, Candlestick Club

The final meeting of 2018 before the Christmas lunch turned out a very interesting and informative afternoon. Peter Green from Harleston showed us some film of lovely gardens around the country, and then Arthur kindly showed us films and demonstrations of the use of the defibrillator; the defibrillator is on the wall by the front door of the Village Hall, to be used in an emergency by anyone.

The Christmas lunch has been arranged for 6 December at the Cedars Hotel in Stowmarket. Meet at 12.00pm for a sit down at 12.30pm. a coach has been arranged to pick up at Buxhall Village Hall at 11.30am then onto Great Finborough, Onehouse Road and on to the Cedars. Return trip will be when we are ready.

The opening meeting of 2019 has been arranged for Thursday 4 April at 7.00pm. we have already arranged one or two outings for 2019 starting with an excellent mystery trip on 2 May. Put these dates in your diaries.

I would like to wish all our members a happy Christmas and a healthy New Year. New members are always welcome. **Keith (736598**

Great Finborough Primary School

Lots of activity at the Primary School during this Autumn term. Recently the older boys and girls took part in a Rugby Tag Festival held at Stowmarket Rugby Club. This was against

other schools in the area and even though we drew in the final, our team won overall on points scored, well done to all involved. The school has also started training for the very popular Coast to Coast cycle event held every 2 years, taking them from the West to East of Northern England covering many, many, many miles! At the moment training is within the school and Finborough but more to follow on this as Mr Dodd turns up the heat!

We have recently held an election for a Parent Governor as Ben Thomas came to the end of his first term. Other parents expressed an interest in taking this position but Ben who put his name forward again, was reelected, welcome back Ben. Many of you will know that Sally Burns has now moved from the village. She played a massive role in the school running the gardening club, tending the gardens as well as her position on the Governing body, we wish her and her family all the best with their move.

As mentioned in my last article, the school had its open event at the end of October for prospective parents to look around. We had a great turn out and the Year 6's did a sterling job showing people around, clearly very proud of their school. As well as many attendees on the night we have since had a number of bespoke viewings. If you would like to take the opportunity please contact Mrs Harriet Ellis at the school to arrange a visit.

As always, we are looking at opportunities to raise much needed funds for the school as well as any help parents and locals can give. Many local employers have CSR policies where they look to support local causes, if you work for or know of such companies we would love to hear from you. For example, staff from Akzo Nobel helped decorate one of the classrooms over the summer.

Finally, a last reminder for our Xmas Fair to be held on Saturday 1 December between 12.30 and 4pm. If anyone can help with their time or donating raffle prizes, again please contact Mrs Ellis at the school. This is a very popular event involving both staff and students so please come along, have fun, shop and support the school. **Anthony Mann**

From Onehouse Rectory December 2018

Even as a child, I loved walking along the darkened streets in autumn and winter and seeing light streaming out from some of the houses I passed. Sometimes, I could see some of the families who lived in those homes or their pictures hanging on the walls or other familiar objects around them – glimpses of life amongst the darkness. Pubs with bright lights and full of chatting people; shops with busy people intent

on their purchases; sometimes the light streamed out of stained-glass windows belonging to a church.

Light and darkness fascinated me and one of the earliest memories I have is being taken by my parents to a nativity play in the Minster Church in the centre of Reading. The smell of incense and the flickering candles, the carols and the re-enactment of the familiar story of Jesus' birth gave me peace.

In Hertford, the Roman Catholic Church of St. Joseph has a very special crib. Its impact depends on the very clever use of light and darkness for it depicts St. Andrews Street in Hertford itself on a dark night with the houses, shops and pubs lit up and people inside going about their business. In one of the rooms above the pub, the priest can be seen celebrating mass when there was not yet a church to use and in another quieter spot Mary, Joseph and the new-born Jesus.

It is an incredibly powerful scene and most people who see it are "bowled over" by it, because they can recognise some of the shops and houses and the message becomes so clear – in the midst of ordinary life, God sent His only Son, Jesus. A wonderful gift from the God who is love and who sent Jesus to live a life of sacrificial love which would result ultimately in His death, yet Jesus would rise from death showing us that nothing, not even death, can separate us from God's love.

A message of light amongst the darkness and one which we will be celebrating in all our churches during the next few weeks leading up to Christmas Eve and Christmas Day and on to the New Year to come. There will be special coffee mornings; Christingle services ["Christ Light" oranges, lights and sweets]; Carol Services; Community Carols;

Worship Services; Follow the Star and Communion Services all on offer for everyone to attend to celebrate and usually accompanied by the most delicious refreshments! Please keep a look out for the adverts in notices, magazines, on Facebook and websites and invite someone along. We hope that as many people as possible will come and be drawn to the light shining in darkness. St. John calls Jesus "the Word" and declared "The Word was the source of life and this life brought light to mankind. The light shines in the darkness, and the darkness has never put it out." [St John Chapter 1 verses 4 & 5].

Come and celebrate this special time of year when we remember that God intervened in history, because He thinks we're worth it! Light shines in the darkness and the darkness cannot put it out.

Have a very blessed Christmas and a peaceful New Year.

Revd. Pauline

Stretch your vocal chords and help raise funds for local hospice A local charity is on the hunt for fundraisers willing to stretch their vocal chords and help raise vital funds while having some tuneful fun in the lead up to Christmas. In a bid to make sure

festive spirit is spread far and wide this year, St Nicholas Hospice Care is hoping as many people as possible will lend their voices to its new fundraiser 'Carolling All the Way'.

To help make the occasion a success the Hospice needs people who love a sing-song to come together and sing their way around their communities over the weekend of 14 to 16 December.

Alison Bacon-Snow, the Hospice's lottery manager and event organiser, said: "I want this to be a really fun fundraiser that everyone feels they can be part of, It doesn't matter if you're already part of a choir or just someone looking to have some fun fundraising at Christmas, this will be a friendly occasion packed with community."

No audition is necessary, and people can sign up as groups (of any size) as well as individuals. By taking part, fundraisers will be helping to make a huge difference to the lives of local people, as all funds raised will help support the hospice's services across West Suffolk and Thetford.

It costs £5 per person to take part and fancy dress (Christmas jumpers, steampunk or period costume) is optional.

Farewell to Simon the Postie

Many of our readers will be aware that following the news that Royal Mail was intending to transfer Simon, our village postie, a campaign was launched by the village to try to overturn this decision. The Parish Council sent a letter to Royal Mail management that was followed up with a petition containing over 160 signatures from local residents.

Sadly, the Royal Mail, as expected, ignored the views of its customers and implemented its original decision at the end of October. The local area manager being keen to stress that all their delivery staff receive the same training. Whilst that may be true it overlooks the personal traits of an individual, which is what made Simon so special to us. We remain hopeful that our new postie does indeed provide the same service with a smile, we received from Simon.

The collection organised by Simon T and Tim Hines raised a staggering £260. This was used to purchase a case of the finest Claret, Simon's favourite tipple. Simon and his wife were invited to the Autumn Supper as guests of the village where a few words of thanks were spoken, and he was presented with the wine. It was a very moving occasion and once again showed the high esteem which villagers feel for Simon. He was part of our village and hopefully we will continue to see him at village events in the future.

Simon has now started his new round and we wish him well; our loss Is their gain! Many thanks to everyone who took the time to sign the petition and make their views known. Simon was genuinely touched by the many comments. The letters to and from Royal Mail are available to read on the village website, www.greatfinborough.onesuffolk.net
