## Editorial

As Rev Chris says at the start of his article, November is often thought of as the “remembering month”. I thought it would be a good time to remember and reflect on how lucky we are to have so many people in our village who are prepared to give their time and effort to make that little bit of difference to our community.

Many of us attended the memorial service to John Davey last month, a gentleman who was always willing to help out the village in any way he could, he will be sadly missed. As I came out of the church I noticed that the wall had been repaired adjacent to the War Memorial. This had been done by local village tradesmen at no cost and materials supplied by another village resident. Our community spaces are kept tidy by contractors engaged by the PC but there are a plethora of people cutting back here and there, weeding and planting trees and bulbs.

The Village Hall is a great asset and very well used but the oversight and organisation is done by a small group of very dedicated people for the good of the community. Similarly, the village Primary School relies on the people who give their time to act as governors to oversee what is a very successful and sought-after educational establishment.

The church relies on the people who cut the grass, arrange the flowers, play the organ and a host of other behind the scene tasks. We have an active speedwatch team, people who look after Woodpecker Hill, those who show films once a month, run the Brownies and local sports teams, the Allotmenters and many, many more. I apologise if I have left you out!

Thanks to all of you for your help and, if anybody wants to get more involved, why not start with the village litter pick on Sunday 25 November, 10am start at the village car park.

The 15 November is the deadline for inclusion for the December 2018 / January 2019 issue of the Newsletter, so please contact Simon Tarabella or Peter Turner, or drop in to Maple Lodge, the kettle is always on.

## **News from your District Councillor - John Matthissen**

Representing Onehouse, Great Finborough, Buxhall, Harleston and Shelland

### **Planning Policies – another set-back**

In July the Council published figures demonstrating that it again had a sufficient supply of land suitable for new housing and capable of being developed within the next 5 years. This meant that **local** planning policies, including settlement boundaries, were once again the primary determinant of planning applications. This restoration of a greater degree of local control after 3 years which have seen too many unsuitable permissions being granted, was short-lived as it was successfully challenged at appeal over a Woolpit scheme, where the planning inspector ruled the correct figure was only 3.4 years.

This may presage a further rash of applications and appeals, and we can only hope that our local villages will not be affected.

### **Medical equipment**

If you have equipment provided by the NHS or Suffolk Social Services please do return it when you no longer need it as it will be reconditioned and made available to somebody else.

Articles small and large such as crutches and walking sticks, commodes, mattresses, seats and much more will be collected if you give a ring on 01473 351805 or [Suffolk@medequip-uk.com](mailto:Suffolk@medequip-uk.com)

## **Great Finborough & District Garden Club**

Autumn has arrived and the leaf colour is spectacular, but the level of rainfall has still not been enough to make the soil easily workable, or not in my garden, so putting the garden to bed for the winter is the next task in hand as soon as the soil is moist enough to get a fork into. Our October meeting featured Rob Parker of Butterfly Conservation who gave us the butterflies' view of our gardens and how we can encourage and support these beautiful and fragile insects.

Due to the loss of John Davey the Committee, in accordance with the Constitution, have reorganized themselves as follows: Chair, Peter Turner, Treasurer, Mary Smyth, Membership, Ann Basey-Fisher (vice Sally Nurton), Teas and Raffle, Marion Mason, other officers remain in their current roles. Members will be free to elect a new committee at the AGM in May.

The 18 October will see us take the last of our anniversary trips, this time to Cambridge Botanic gardens to have a tour of the trees and wander in the gardens to admire the autumn foliage. A report on this outing will be in next month's entry.

Our next meeting, Thursday 8 November, at the usual time of 7.30pm features a talk by Peter Smeggs-Gooch of Thorncroft Clematis on how we can have clematis as a feature in our gardens all the year round.

Please put the date for the Christmas party in your diaries. This will take place on Thursday 6 December, with nibbles and mulled wine. Again, this year it will be held in the main hall downstairs and will start at 7pm, half an hour earlier than our normal meeting time. Further details to follow.

Finally, if you are interested in joining the garden club or would like to join us for any event you will be very welcome. Membership is only £15.00 per household per year or £2.50 per meeting. For further information contact: Judith Cameron (see who's who).

## From the Rectory November 2018

The month of November is often thought of as the 'remembering month', not only for the memories of dearly departed associated with the ancient church festival of All Souls but also for Remembrance Sunday. This year it has an added poignancy as we remember 100 years since the end of the WWI and the untold distress it caused across Europe, particularly in these rural communities. Join us on the day if you can at our commemorations at 3 of our churches and at 10.50 on Thursday 8th, with the assistance of Gt Finborough Church School and Combs Ford Primary at St Marys Buxhall and St Mary's Little Finborough respectively. In those places we stand at the graves of the only two soldiers we are privileged to look after in these parishes for a short service supported by the Royal British Legion. We welcome the Stowmarket Salvation Army Band and Stowmarket Concert Band at Buxhall and Gt Finborough for the Sunday Services.

A member of the congregation at St Mary's Combs has written the poem below in connection with the bell appeal and please take it for that – BUT its words, particularly verse two, speak to us all in uncertain times of the steadfast unchanging nature of God, calling us to look forward with hope, strengthening and supporting each other as we move on...

A sacred place upon this hill, has stood a thousand years  
A focus for the faithful, witness to joy and tears  
Its peace envelops all within, to ease the troubled mind  
And blessings give to all who seek, their steady path to find

For centuries the risen sun has shone through windows clear  
To warm the hearts and minds and souls of all who worship here  
A place of calm and peace and joy, prayers strengthened by belief  
A place of hope, a steady rock, to those who need relief

When sons and husbands, sweethearts too, went off to fight in war

Their loved ones looked for solace here, their future so unsure  
When some returned their thanks were heard, relieved they did not fall  
But others came, amidst their grief - the war had taken all

For fifty years a single chime bewailed companions lost  
An echo of their blessed sound and silence was the cost  
But soon, once more, the bells will peal and bring the tower to life  
And honour those from Combs who made the final sacrifice.

© A Maxwell

And shall we remember too the lonely in our midst as the nights  
darken.....and.....

Our congratulations to **Mr Roger Rehahn** who has been granted Reader Emeritus Status in the diocese. Roger was licensed in 1962 and has served in 'old' Gt Finborough group since the mid 1980's. We thank him for his work and I thank him personally for his wise and gentle counsel on so many occasions over so many years. Congratulations, also, to Rev Rachel Cornish as she was inducted as Rector of her benefice on 17 October.

The **Real Advent Calendar** was created in 2013 following surveys that showed that 36% of 5-7year olds did not know whose birthday was celebrated at Christmas. The real advent calendar was created to reverse the trend and comes with a 24-page Christmas Story activity book – and all the chocolate is fair traded. You might like to support them – Advent calendars are for all ages. The Meaningful Chocolate Company at [www.realadvent.co.uk](http://www.realadvent.co.uk)

Then **Combs Bell Project** has been well and truly launched and we are pleased to publish the poem specially written by one of our congregation for the event. A separate full report will be in Combs and Lt Finborough magazine but available to all if requested. This year's tree from Combs church for **Stowmarket Christmas tree Festival** will be decorated by bells for obvious reasons and if you would like more information please speak to Maria Scadding who is co ordinating 07582055559

The **Statutory notices** are now being published by the Church Commissioners for the merging of the seven Parishes into one legal entity – and are available in each of the churches for those interested. In many ways it regularises the position extant for some years.

**The Men's Breakfast takes place on** Saturday 10 November in Buxhall Village Hall at 8.00am

Speaker: Andy Malcolm from The Fishermen's Mission finish by 9.30am  
There will be an offering to cover expenses Please book places with Derek Ames by Wednesday 7 November (Tel. 613328). We only serve traditional cooked breakfast.

I am sure you will all join me in welcoming **Mrs Gini Williams** as an Ordinand (additional to Lesley whom we have already welcomed) to these parishes as from the end of November. Gini lives in Eye and at the request of the Bishop is to be on long term placement with us undertaking training until next June when she hopes to be ordained to serve as a stipendiary curate.

**Confirmation 4th November 2018 11am St Mary's Combs** I hope there will be support from all the parishes for the 9 candidates we have this year. 3 youngsters and 6 adults from Gt Finborough, Buxhall, Combs and Onehouse. It is a profoundly moving service for all but especially perhaps for adults as they make their commitment in faith. Please come and support if you possibly can. It will be good to have our Bishop Martin with us once again.

**St Marys' Buxhall Christmas Party** is taking place in the Village Hall on Saturday 1 December at 7.30pm. Enquiries to the churchwardens David and David please. We are expecting entertainment and fun so come and join in. Tickets £5

With all good wishes.

## **Suffolk Historic Churches Trust 2018**

**A BIG THANK YOU!!**

I would like to thank all those who took part in the SHCT Ride and Stride and all those who sponsored them. There were some amazing individual efforts! We had 4 Cyclists, 1 Strider and 1 sponsored "recorder". In all they raised £451, ½ for St Andrew's and ½ for SHCT for them to give out in the form of grants to help repair and restore other historic churches in Suffolk.

This was my first year organising this event in Finborough, previously Sadie Watts has done the job! I have tried to be as efficient as her, but she's a hard act to follow! Thank you, Sadie, for your work over the years with this and all the other roles you take on in St Andrew's.

## **Harvest Festival and the Wedding of Helen and Ollie**

St Andrews Church at Harvest Festival glowed with fruit and flowers and we were lucky enough to have the wedding of Helen and Ollie on Saturday 23 September.

They left us with extra flowers and, with an idea of both Genius and Generosity, had encouraged all their guests to bring harvest offerings instead of presents and the Church was overflowing. All was safely gathered up and taken down to the food bank, we filled half a car.

The food bank volunteers were thrilled with the 70kg and sent a big thank you to the congregation on both Saturday and Sunday.

My grandsons love to put something in the food bank box whenever they come to messy church and its easy to find, just inside the door.

**Sara Raynes**

## **Men's Breakfast**

Andy works tirelessly for the Fishermen's Mission & we had to book him up over a year ago when he had a slot in his diary. He is an excellent, entertaining speaker. Those who are interested in or have been involved in the fishing industry, or enjoy sailing or just messing about in boats, will find his talk fascinating.
